MYSTIC GINGER GETS A NEW BLADE SIGN

Congratulations to Mystic Ginger Hair Salon and Apothecary on their brand-new blade sign paid for by the Gloucester Township Neighborhood Preservation Program! Blade signs enhance the appearance of a business property, serve as a business identification, and help maintain a unified look and feel of the area.

“We are so grateful to have been granted a new blade sign by the GT NPP! We are beyond thankful for the revitalization efforts being made by Gloucester Township and the NPP. As a local business owner and resident, I am honored to be an active member of this wonderful committee dedicated to revitalizing our downtown district. To us, this sign is symbolic of a shift happening in the Gloucester Township Arts District. We are thrilled to see the efforts made so far and are excited for more to come!” said Kellie D’Ascenzo, owner of Mystic Ginger.

MAYOR VISITS STEP WITH PURPOSE DAYCARE

Last week, Mayor Mayer visited Step with Purpose LLC Preschool on their Career Day.

"The energy and charisma you brought with you electrified the atmosphere and ignited the imaginations of our young learners, their proud parents, and every single person in attendance. Your passion for keeping our community safe, vibrant, and thriving shines brighter than a supernova, and witnessing it firsthand was an awe-inspiring privilege for all of us. Your words of wisdom and invaluable insights will forever resonate in the souls of our budding minds. You effortlessly demonstrated the importance of community service, leadership, and chasing one's dreams fearlessly. The impact you have made on their young impressionable minds cannot be measured, but we can assure you that it will undoubtedly shape their aspirations and instill within them an unwavering belief in the power of making a difference," said Shannan Ramsey, owner of Step with Purpose.
