## GLoucester Township Town Heroes Banner Program

Stephen Hunt was home for 12 days on leave when his mom and his sister took him to the Glendora section of Gloucester Township, where his Town Heroes Banner had been recently installed. It was a complete surprise for Stephen, and he was excited to see his banner, saying, "This is awesome! Thanks, Mom!"

Stephen began his JROTC at Camden County Technical School and joined the army in June of 2022, three days after graduation. He did his basic training at Fort Leonard Wood, Missouri, and completed his advanced individual training as an 88M (Motor Transport Operator). Stephen was then sent to his duty station at Fort Stewart, Georgia. He is soon to deploy overseas for 11 months.

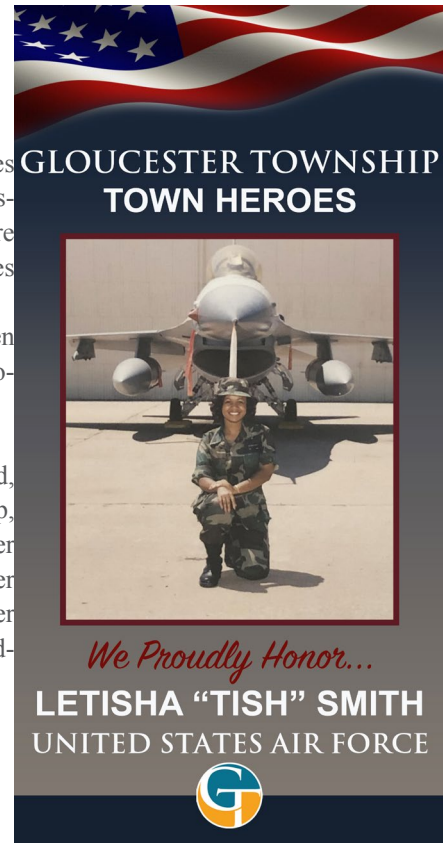

*Thank you, Stephen, for your service  
to our country, and stay safe!*

The Gloucester Township Town Heroes Banner Program recognizes and honors Gloucester Township veterans who have served or who are currently serving our country in the United States Military.

Banners honoring our brave service men and women are proudly displayed in prominent locations within the township.

To qualify, a veteran, living or deceased, must have a connection to Gloucester Township, NJ, (attended local schools, relative of a Gloucester Township resident etc.) at some point in his or her life, also those individuals honored on Gloucester Township War Memorials and veterans recommended by the local VFW and American Legion.
