## CONCERT IN THE PARK

# BEATLEMANIA AGAIN

The Township of Gloucester and Mainstage Center for the Arts are excited to announce that due to the inclement weather on the originally scheduled date, Beatlemania Again's highly anticipated concert will now take place as a special rain date makeup performance for the Gloucester Township Sounds of the Summer Concert Series. The new concert date is set for Monday, August 14th, at 7 pm, at Veterans Memorial Park. This rescheduled event will offer another opportunity for fans to experience the magic of Beatlemania and enjoy an evening of iconic music under the stars.

Beatlemania Again, a tribute band known for their uncanny ability to transport audiences back to the heyday of The Beatles, will bring their captivating performance to Gloucester Township. With meticulous attention to detail, the band's four members embody the spirit of John Lennon, Paul McCartney, George Harrison, and Ringo Starr, recreating the legendary live performances that defined an era.

Formed in 1996, Beatlemania Again has garnered widespread acclaim, having performed at various prestigious venues and events. Their extensive repertoire includes timeless hits such as "Twist and Shout," "I Want to Hold Your Hand," "A Hard Day's Night," and "Hey Jude," all performed with the authentic style and passion that made The Beatles legendary.

The band's commitment to authenticity extends beyond the music, as they meticulously replicate costumes, and hairstyles, and use authentic instruments to recreate the atmosphere of the Beatlemania era. This dedication to preserving the cultural and visual elements of the time sets Beatlemania Again apart.

"We understand the disappointment caused by the rain on our initial scheduled date, and we're thrilled to provide this makeup concert to bring the magic of Beatlemania to Gloucester Township," said Ed Fiscella, Artistic Director from Mainstage Center for the Arts. "This event promises to be an unforgettable evening, and we invite everyone to join us for a remarkable night of music and nostalgia."

The rescheduled Beatlemania Again concert will undoubtedly be a highlight of the Gloucester Township Sounds of the Summer Concert Series. Whether you're a devoted Beatles fan or simply looking to experience the excitement of Beatlemania, this is an event not to be missed.
