MAYOR MAYER AND CHIEF HARKINS INTRODUCE 2 HYBRID POLICE CARS

Gloucester Township Mayor Mayer and Chief David Harkins are excited to announce that 2 Hybrid Police Interceptors have been recently acquired for the Gloucester Township Police Department.

Commonly, police vehicles spend, on average, 60% to 70% of their time stopped and idling (vehicles must be kept turned on to operate the systems properly).

With the all-new 2022 Police Interceptor Utility Hybrids, the gasoline engine is off for about 80% of the time that the vehicle is idle, and all the equipment that needs to be kept on and functioning can be powered by the lithium-ion hybrid battery (battery charge is kept in the 30% to 70% range to power all the needed equipment).

MAYOR MAYER AND CHIEF HARKINS INTRODUCE 2 HYBRID POLICE CARS

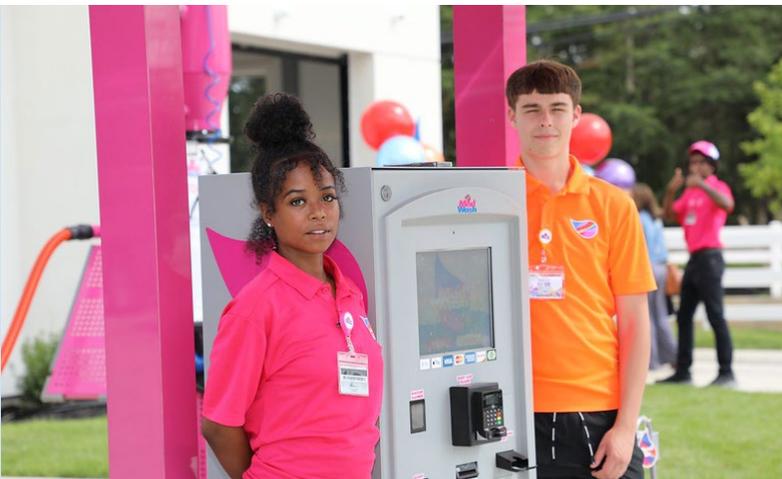

The new Hybrid has a projected EPA-estimated rating of 24 mpg combined, a 41 percent improvement over the outgoing Police Interceptor Utility equipped with a 3.7-liter gas engine. Another advantage is reduced brake wear due to the regenerative braking system. Brake life can now be extended by three times! Additionally, there is less overall engine maintenance, greater horsepower, torque and top speed.

GLOUCESTER TOWNSHIP WELCOMES NEW BUSINESS: MODWASH OPENS IN SICKLERVILLE SECTION

Gloucester Township welcomes ModWash to the Sicklerville section of the township (810 New Brooklyn Erial Rd). Congratulations to Matt Knox, General Manager, and his team on their grand opening yesterday!

Best of luck, and may your business be prosperous for many years to come!

AWNING PROJECT IS UNDERWAY IN THE ARTS DISTRICT

The awning project is underway in the Downtown Blackwood Section of Gloucester Township! You may notice that a couple of old awnings were removed recently, with the new ones being installed this week. All awnings on the entire building (2-20 N BHP) will be replaced in the near future, so if you are in the area – watch the progress unfold! The project is funded by the Gloucester Township Neighborhood Preservation Program and is a part of the 2023 Implementation Plan for the area.

FIRE PREVENTION DAY

Glendora Fire Company is looking for dedicated members! Stop by the fire station on Saturday, September 23rd to learn more about volunteer positions.

SAVE THE DATE: ANNUAL 4-H HAUNTING

4-H is a youth development organization that serves more than 6.5 million youth nationwide and more than 55,000 locally in New Jersey.

Camden County 4-H Clubs offer youth in grades K-13 (one year out of high school) the opportunity to learn about life skills. 4-H members practice the Essential Elements of Positive Youth Development by focusing on Generosity towards the community, Belonging in an organization, Mastery of Skill in their project area, and Independence in decision making.
