Gloucester Township Partners with Volunteers of America Delaware Valley

Gloucester Township Mayor David Mayer and Police Chief David Harkins are excited to announce a new partnership with Volunteers of America Delaware Valley (VOADV) in an effort to better serve vulnerable individuals in crisis and strengthen community policing.

The Gloucester Township Police Department and Volunteers of America of Delaware Valley will work together to provide immediate assistance and support to individuals and families facing challenges like mental health, substance abuse, homelessness, and housing instability. They're committed to fostering a strong partnership and addressing these issues through their Mobilization of Police Assisted Crisis Team Initiative (I.M.P.A.C.T.). This initiative aims to align police and social services to stabilize individuals and families and ensure public safety. GTPD will work directly with the VOADV case manager who has a satellite office in the Municipal Building with operating hours of Monday through Friday from 9am to 5pm.

Mental illness, substance abuse, homelessness, housing instability, and other underlying social services stressors profoundly impact individuals, their families, and the broader community, giving rise to multifaceted repercussions. I.M.P.A.C.T. is geared towards aligning police and social service endeavors and methodologies across three pivotal domains of law enforcement: prevention, intervention, and suppression, with the overarching aim of effectively stabilizing individuals and family units. Through the proactive engagement of I.M.P.A.C.T., it is envisioned that the stabilization of individuals or family units will be achieved, thereby addressing in real-time the immediate circumstances confronting our service recipients, which contribute to public safety concerns such as social disorder, criminal activity and the fear of crime.

Where formally Gloucester Township police officers would respond to crisis calls alone, now they will be accompanied by a VOADV volunteer trained to assist with individuals experiencing distress due to addiction, mental illness, or homelessness. "We are very fortunate to have an in-house VOADV representative working side-by-side with our officers to maximize the quality of assistance we can provide to the community. This highly trained volunteer is here to address the needs of the vulnerable population and provide the resources tailored specifically for them. With this approach we are hoping to alleviate tension for both parties – the responding officer and, most importantly, the individual suffering from mental affliction," said Mayor David Mayer.

The GTPD and VOADV are unwavering in their commitment to fostering a cohesive service delivery framework within the community through I.M.P.A.C.T. This initiative will facilitate robust communication while upholding the fundamental values of each entity. "Our partnership with Volunteers of America Delaware Valley (VOADV) has brought social service resources to the community, with the implementation of I.M.P.A.C.T. This collaboration has placed VOADV specialists to work side by side with Gloucester Township Police Officers. Together, they provide resources for mental health, homelessness, food insecurity, utility assistance, and addiction issues to the community. The VOADV Specialists have been integrated to work with the Gloucester Township Police Juvenile Family Services Bureau so that social service issues can be quickly addressed, and help can be provided quickly. We have already seen many positive outcomes that the collaboration of I.M.P.A.C.T. has provided," said Chief David Harkins.

COMMUNITY NEWS

A Message from Mayor David Mayer

Warmer weather is finally here along with summertime just days away! Time to enjoy the great outdoors, our beautiful parks, sports fields, and recreational spaces around Gloucester Township! We have plenty of events to enjoy throughout the rest of the year with some old-time favorites and exciting new ones for residents to take part in.

We are starting off with the annual Gloucester Township Business Breakfast taking place on May 9th at Valleybrook Country Club. Sponsored by the Gloucester Township Economic Development Partnership, this event is an opportunity for local business owners to network and learn about the economic development progress that is happening around our town. Registration is still open and available on the municipal website.

Our favorite Movies in the Park will kick off on May 24th and the Sounds of Summer Concert Series will begin on June 24th.

Get ready for the biggest event of the year - Gloucester Township Day! This year I am excited to announce that we are bringing a drone light show for our residents to enjoy! Sponsored in part by Ron Jaworski's Valleybrook Country Club, the light show will begin at 9:30PM sharp – so make sure you are in the best spot of the park to enjoy the epic display of lights curated specifically for our local community!

On June 15th, come to Veterans Park to participate in the very first official Gloucester Township Juneteenth Celebration. This family-friendly event will feature a cultural marketplace, live music, and plenty of entertainment for everyone!

Several years ago, we brought back the tradition of drive-in movies to Gloucester Township; and this year we are happy to continue the tradition with the 7th annual Drive-In Movie on September 14th on the grounds of Camden County College. Save the date and bring your family and friends for a good time and lasting memories!

And last but not least, I am proud to announce that we will be hosting a Medal Ceremony for the veterans of our town coming up in the Fall. My office has already sent letters to every veteran in our town with another communication going out this summer. But I also kindly ask you to spread the word to make sure every local veteran is honored and recognized at this significant and very distinguished event.

As always, please reach out to my office with any questions, comments, or concerns and sign up for my weekly e-newsletter GTWorks to stay up-to-date on events and happenings in Gloucester Township!

Sincerely,
David Mayer

Construction Update: Gloucester Township Community Arts Center

Phase 1 of construction of the Gloucester Township Community Arts Center is underway in the Downtown Blackwood Section of Gloucester Township. The demolition portion of the project is happening now with the Contractor working on structural reinforcement of the floor and the roof. The concrete on the ground floor has been cut to allow for the footings to support the new entryway. The contractor is welding existing steel beams bringing them up to code.

Phase 1 includes exterior work such as removal of the existing aluminum storefront vestibule and installation of the new entrance with exterior and interior stairs, new windows, installation of new exterior columns with steel beam, stone mortar repairs, slate roof and gutter systems repairs. Phase 1 also includes ADA work such as installation of new stairs with a chair lift, installation of a handicap dressing room and ADA restrooms, and reconfiguration of the façade area to include a new handicap entry door and sliding window.

The Contractor will start working on roughing in electric, HVAC, and plumbing systems next. The Phase 1 of construction started in the beginning of March and is projected to be completed in November of this year.

POLICE DEPARTMENT NEWS

The Family Resource Center (FRC)

The Family Resource Center (FRC), staffed by a Licensed Clinical Social Worker, offers professional counseling services in a comfortable, homelike setting. It hosts GT Focus meetings for at-risk youth and their parents, providing a platform for targeted discussions and support. The Gathering Space, a weekly teen counseling and support group, operates year-round. Furthermore, the FRC extends individual and family counseling sessions free of charge to community families facing challenges that impact our youth.

Family Resource Center
Of
Gloucester Township Police Department

Tricia Buck, LSW

My experience as a social worker includes 18 years of working with children and families to provide supportive services uniquely developed to meet the individual and families needs. The services I am able to provide to Gloucester Township youth and families includes but are not limited to; individual counseling, community resource referrals, and juvenile diversion programs. My goal in this position is to be an advocate for all families in Gloucester Township and create a pathway of success for our youth.

The FRC is the home of Gloucester Township juvenile diversionary programs and youth centered activities. The FRC is a safe place for Gloucester Township youth to make connections and receive supportive services.

Reporting Streetlight Issues

Streetlights play a vital role in ensuring traffic safety in the community. If you observe a malfunctioning streetlight in front of your residence, it is imperative to take action. The following steps outline how to report a streetlight outage.

For PSE&G Customers:

1. Access PSEG.com and proceed to register.
2. Navigate to "Outages & Leaks".
3. Select "Report Streetlight Outage"
4. Alternatively, contact PSE&G at 1-800-436-7734.

For Atlantic City Electric Customers:

1. Visit the website at www.atlanticcityelectric.com.
2. Locate the "Outages" tab and choose "report a streetlight outage."
3. Alternatively, contact AC Electric at 1-800-642-3780

National Night Out 2024

On Tuesday, August 6, 2024, neighborhoods throughout Gloucester Township are cordially invited to unite with thousands of communities nationwide for the 41st Annual National Night Out (NNO) crime/drug prevention event. This event, sponsored by the National Association of Town Watch (NATW) and co-sponsored locally by the Gloucester Township Police Department (GTPD), will engage communities from all fifty states, U.S. territories, Canadian cities, and military bases around the world. National Night Out aims to achieve several objectives: (1) Increase awareness about crime and drug prevention; (2) Garner support for and participation in local anti-crime efforts; (3) Foster neighborhood spirit and enhance police-community partnerships; and (4) Convey a message to criminals that neighborhoods are organized and actively combating crime.

The Annual National Night Out Event is scheduled for Tuesday, August 6, 2024. Any groups interested in hosting a National Night Out Event in their neighborhood are encouraged to contact either Cpl. McHugh at jmchugh@gtpolice.com or Ptl. Ohrenich at Cohrenich@gtpolice.com, or 856-228-4011.

PUBLIC WORKS NEWS

The Gloucester Township Public Works facility is located at 1729 Erial Rd in Blackwood. Please contact Public Works with any questions at 856-228-3144.

Saturday Drop-Off Hours at Public Works

The Public Works facility will be open on Saturdays, April 1st through June 24th from 8am - 2pm. We will be taking: brush, electronics, white goods, oil/anti-freeze, concrete, metals, batteries, TV's. Please contact Public Works at 856-228-3144 with any questions.

SOLUTIONS TO STORMWATER POLLUTION

In accordance with our NJDEP Tier A Municipal Stormwater General Permit, the Twp. adopted various Ordinances to regulate the impact of stormwater runoff and pollutants on the environment.

1. Pet Waste: This requires pet owners to pick up and properly dispose of pet waste dropped on public or other people's property. It prevents fecal contamination from impacting the local waterways.

2. Litter: This states it is unlawful to throw, drop, discard or otherwise place litter of any nature upon any public or private property, other than in a litter receptacle. This prevents unsightly & unsanitary conditions & prevent litter from impacting waterways.

3. Improper Disposal of Waste: This states that it is illegal to dispose of waste in any place not specifically designated for the purpose of solid waste storage or disposal. The purpose is to prevent unsanitary conditions and groundwater pollution.

4. Wildlife Feeding: Feeding of water fowl on municipal park property is prohibited by Ordinance. The Township enacted the Ordinance as a method to reduce water fowl population in response to health concerns regarding bacteria which is harmful to humans and fish populations.

5. Yard Waste: Yard waste is regulated by Ordinance which establishes the current zone collection system and the methods of collecting leaves, brush, and other yard waste. The purpose is to keep leaves and grass out of the storm sewer system.

6. Illicit Connections: This makes it unlawful to connect any pipe or device to the municipal storm sewer system that is intended to discard, spill or dump any material other than stormwater runoff or ground water (sump pumps) into the system. The purpose of this Ordinance is to prevent pollution and contamination of waterways which receive discharge from our storm sewers.

The transport of pollutants into local water bodies destroys fish, wildlife and habitats; threatens public health and causes the loss of recreational and aesthetic value. We have enacted these Ordinances to protect our environment, and to keep pollutants that are commonly conveyed by stormwater from adversely impacting our waterways and groundwater supplies.

Please keep grass clippings out of the street and our waterways. It is against DEP state and local regulations. The grass clippings clog our storm waterways and put toxic chemicals into our waterways.

Dispose of your American Flag properly! Public Works collects American Flags and will dispose of them.

White Goods Pick-Up

Public Works now picks up white goods: refrigerators, air conditioners, ranges, washers, dryers and hot water heaters. Please call PW for items to be picked up.

This program is held at the following locations:

~Blackwood Elementary

~Glendora Elementary

~Lilley Elementary

RECREATION DEPT. PRESCHOOL

Fall 2024 Enrollment New Student Registration Begins: May 6

Register online at CommunityPass or in-person at the Recreation Center. Serving the community for over 40 years! Our goal is to provide Gloucester Township and the surrounding communities with an affordable, professionally-run program to help preschoolers with socialization skills, beginning their independence and helping them prepare for their grade school years. We have one of the highest teacher retention in the state! Come and check us out! Classes are held 4 days a week (Monday-Thursday). Children are grouped by the year they will enter Kindergarten. To be eligible for our 4 Year-Old Program, your child must turn 4 by September 30th. 3 Year-Olds can begin our program during each session. For the Fall session, your child must be 3 by September 30th, for Winter session children must be 3 by December 15th, for Spring Session children must be 3 by March 1st. Classes are limited to 10 children per teacher. Contact us at (856) 435-5734 or dianejones@glotwp.com with any questions or to schedule a tour.

TCHS MIDDLE SCHOOL CAMPS

GT Recreation has teamed up with Timber Creek HS to offer current 5th-7th grade students a variety of camps throughout the summer. The cost for each camp is \$100. Non-Residents can register for an additional \$20 fee. All camps are held at Timber Creek HS. Campers need to bring a lunch daily. Register online on our CommunityPass website or scan QR on page 10.

Cross Country Clinic

Dates: July 8-11 Times: 9AM-12PM

Whether new to the sport or a seasoned middle school veteran, camp participants will learn: the importance of warming up and cooling down, healthy nutrition practices, practical training strategies/plan, strength and agility development and the importance of maintaining a positive attitude. At the end of the week, students will have experienced an introduction to cross country and the camaraderie that goes along with a shared experience. It is our hope to foster in all participants an appreciation for living a more fit lifestyle and a developing sense of accomplishment and confidence. Participants must have running shoes, water bottle, snack, and a towel.

Exploring Art

Dates: July 15-18 Times: 9AM-1PM

In this creative environment, students would get to experience different techniques, tools, technologies, and materials each day of the camp. Campers would be able to take home a portfolio of work at the end of the week demonstrating their new skills.

Passion for Fashion

Dates: July 22-25 Times: 9AM-1PM

In this fashion camp, students will receive a blend of quality industry techniques and compelling projects. We've created activities and discussions that are relevant; and we'll cover fashion trends, moodboarding, fashion illustration, design, and beginner sewing techniques. Throughout the week, students will create a fashion portfolio to take home.

Mini Tech Challenge

Dates: July 29 - Aug. 1 Times: 9AM-1PM

This camp offers a week of construction, testing, using technology, and competition! This STEAM inspired opportunity combines academic excellence and engaging extracurricular activities with supportive guidance and supervision. Students will gain valuable insight and practical tools that will better equip them to achieve their personal, educational and career goals.

School Survival Skills

Dates: Aug 5-8 Times: 9AM-1PM

In our School Survival Skills course, we will provide the foundation for students to "learn how to learn". This course is dynamic and provides strategies to improve how they perform as a learner. Participants will be introduced to note-taking, study skills, time-management techniques & goal setting. Get charged up and sharpen your skills to start your school year off strong!

Video, Media & E-Sports

Dates: Aug 12-15 Times: 9AM-1PM

This course will offer four major learning lessons within the 4-day clinic. Day 1: commercial life, day 2: broadcast news/sports life, day 3: life through a camera lens and day4: life of an E-Sporter. Each day will be hands-on activity driven in providing students with an opportunity to engage in video production and Esports.

Theater Camp

Dates: Aug 19-22 Times: 9AM-1PM

This camp offers students the opportunity to explore hidden talents, improve communication skills and ignite their imagination. Through theater activities, campers learn improvisation, how to create a scene, singing, dancing and acting techniques. We will culminate the week with a performing arts showcase.
