I NEED A KIDNEY
to live
Can you help?

KidneyForKeith.com

“Hello. My name is Keith Hartman and I need a kidney to live. I have a great wife, two children -- a boy and a girl -- and also a Dachshund and Golden Retriever dogs. They are what keeps me together right now! I had kidney failure in 2020 due to C-Anca vasculitis. I am quickly coming to the point where I must start dialysis. It can be really rough on the body, and I am hoping I can find a kidney donor before dialysis must start.”
