## GLOUCESTER TOWNSHIP WELCOMES VETERANS AFFAIRS OFFICE

It is with great pride, Gloucester Township and Mayor David Mayer welcome the brand-new Gloucester Township Veterans Affairs Office located at 1729 Erial Road Suite B.

Run by two local veterans, Anthony Santanello (right) and Robert DiCesare (left), the office will provide various services such as assistance in accessing health care, benefits administration, and support services.

# GLOUCESTER TOWNSHIP WELCOMES VETERANS AFFAIRS OFFICE

The office will aid with counseling and support for mental health and assist with employment and housing needs.

Tony, as he is widely known to the community, is a retired USAF veteran of 21 years. He is a member of Stetser Lamartine American Legion Post 281 for 22 years and has held numerous offices in the American Legion Department of New Jersey. He is passionate to help veterans in need especially to prevent veterans suicide.

Robert started his military career right here in the Erial section of Gloucester Township at the Nike Hercules Missile Base. He was sent to South Korea where he spent 17 months. His civilian path, especially his work in home mortgages, provides him with the skill set to aid veterans with housing concerns.

The Veterans Office can be reached at 856-302-7087 or by email at [asantanello@glotwp.com](mailto:asantanello@glotwp.com) and [rdicesare@glotwp.com](mailto:rdicesare@glotwp.com).

Please join Mayor Mayer and Council Tuesday, July 30th, at 10 am, for the **official grand opening and ribbon cutting ceremony of the Gloucester Township Veterans Affairs Office** at 1729 Erial Road. Light refreshments and free consultations will be provided.

# GTEDPC Hosts Business Education Workshop

The Gloucester Township Economic Development Partnership Corporation (GTEDPC) launched its inaugural Business Education Workshop on the Retail Customer Experience and how to develop loyal, profitable customers through innovative experiences.

Mayor David Mayer thanked the Gloucester Premium Outlets General Manager, Steve Croner, for sponsoring this event and kicked-off the workshop by welcoming all attending owners and managers of restaurants, construction companies, consulting firms, rehabilitation centers, and coffee house/bookstore businesses.

The workshop was then facilitated by Dennis Paris, Temple University Associate Professor of Marketing and GTEDPC President, discussing and guiding attendees through various strategies to enhance customer value and loyalty. Attendees left with numerous strategic tools in hand that will help empower further business success. A question by Alex Hicks of Embrace Restaurant summed up audience sentiment..., "When is the next Workshop?!"

The Department of Public Works just upgraded the old in-ground fuel tank with a brand-new above-ground tank. The new tank is a split unit holding 10,000 gallons of gas and 10,000 gallons of diesel with 2 more filling stations added for a total of 4. The Gloucester Township Public Works fuel tank serves multiple departments including the Gloucester Township Department of Public Works and Police Department, Gloucester Township Fire Companies, Pine Hill Public Works and Fire Companies, and Clementon Public Works and Fire Companies. Not only will the tank save employees time filling up but is also environmentally compliant with DEP regulations.
