# GLOUCESTER TOWNSHIP OFFICE OF VETERANS AFFAIRS IS OFFICIALLY OPEN

*“Local Veterans Affairs offices are vital for any community, providing essential healthcare, benefits, and support services that honor and uphold the sacrifices made by our veterans. It is important that, as a town, we ensure we are doing everything we can to honor our residents who served in the Armed Services. This new office will play an important role in fostering the efforts to ensure that those who have served our country receive the care and respect they deserve. Please join me in welcoming Anthony Santanello and Robert DiCesare as new coordinators for the Gloucester Township Veterans Affairs Office,”* said Mayor David Mayer.

*“It was a great day to join Gloucester Township in opening their office of Veterans Affairs. This will make it easier for our heroes to access critical veteran support services. As a member of the House Armed Services Committee, I’m focused on supporting our service members, and I’ve seen firsthand how hard the transition to civilian life can be,”* said Congressman Donald Norcross. *“Our debt of gratitude doesn’t end when our service members hang up their uniforms. It’s on all of us to work toward easing the burden of their sacrifices, and this new center will do just that.”*

*“This town has always supported our veterans; but what I’m most proud of is what we are doing right here. We are putting not only the symbols to commemorate our veterans, but we are also putting it into action where it’s needed. We are making sure the veterans are getting the resources that they need. As the Police Chief, having these resources available will be another way for us to connect with Veterans as part of the way we do community policing”* said Chief Harkins.

The Veterans Affairs Office is located in Suite B of Gloucester Township Public Works Building and will be open Monday through Thursday, 9am-5pm, and 9am-7pm on Wednesday. The office can be reached at 856-302-7087 or via email at [asantanello@glotwp.com](mailto:asantanello@glotwp.com)
