GLOUCESTER TOWNSHIP CELEBRATES 31 OUTSTANDING INDIVIDUALS!

This year's Citizen Appreciation Ceremony hosted by Mayor David Mayer and Council, was a resounding success. Resident volunteers were honored for their goodwill, generosity, and selflessness, embodying the tradition of service deeply rooted in American character. Councilman Mike Mignone opened the ceremony recognizing that this is one of his favorite events where he gets to honor the residents who are whole heartedly committed to making our community better.

The Mayor was proud to give out GT Challenge coins to each citizen who was honored at the ceremony as well as their certificate of appreciation. Challenge coins are awarded to recognize significant accomplishments, such as hard work, dedication, or bravery. It acknowledges exceptional service, surpassing goals, or acts of heroism, reinforcing the recipient's sense of purpose and contribution.

GLoucester Township Celebrates 31 Outstanding Individuals!

The Mayor also had the honor of dedicating the fountain in Citizens Appreciation Park to the late Sal Aversa, a Gloucester Township resident for 30 years. Sal was a flower processor, delivery driver and the brains behind the well-known “Come in and get a free rose if your name is.....” program. Sal loved water fountains. What better way to honor his legacy than to dedicate one in his loving memory.

The atmosphere was filled with gratitude and community spirit, making it a truly memorable occasion for everyone involved.
