The event will begin at 7:00 PM in Veteran's Park, and all participants must be in line by 7:15 PM. Only registered cars will be displayed, and an adult must remain with the vehicle at all times. There will be prizes for the Top 3 Best Decorated Trunks, spooktakular music and fun for the whole family!

2024 Annual Food and Craft Beer Festival

In the Downtown Blackwood section of Gloucester Township, residents enjoyed the 5th annual Food and Craft Beer festival, which had a fantastic turnout and perfect weather. The beer garden featured craft beer from Double Nickel Brewery, delicious wine from Valenzano Winery, and fantastic live music. The pike was buzzing with amazing food trucks that family and friends enjoyed. Harwan Park featured a vibrant makers' market, filled with talented crafters of all kinds, adding even more to the day's excitement.

We thank our sponsors: Emerson Square and Chase Pointe Lennar, Triad Associates, and Spark Car Wash for their generous support in making this event a success and helping bring our community together for a memorable day.

Early Plantation Event and Exhibit

This Sunday, October 27th, from 1-4pm, join Gloucester Township Historic and Scenic Preservation Committee for their Early Plantation Food, Preparation, Exhibit, and Demonstration event. Explore the foods grown, harvested, foraged, and preserved on the grounds of Gabreil Daveis Tavern.

Gabreil Daveis Tavern was built to accommodate travelers headed east and west over the Irish road and watermen moving lumber and other products by way of the Timber Creek. The building ceased being a tavern in 1768 when Sarah Daveis, the widow of Gabreil, declined to renew the license. From this point forward the building became home to some of the Township's most important Revolutionary War figures.

Hider Lane Senior Luncheon

The Hider Lane Senior Center hosted its Halloween Luncheon today, offering a festive atmosphere for attendees to enjoy while also engaging in an important conversation about funeral planning. Guest speakers from Earle Funeral Home joined the gathering to discuss the significance of pre-planning, emphasizing how thoughtful preparation can ease the burden on loved ones and ensure personal wishes are respected.

The speakers led an interactive presentation, asking seniors insightful questions about topics such as selecting funeral agents, making burial arrangements, and other essential aspects of pre-planning. Those who answered questions were awarded a \$25 gift card to Shoprite for their participation.

REMINDER FOR PARENTS TO ENSURE A SAFE AND ENJOYABLE HALLOWEEN

As Halloween festivities take place across the community, the Gloucester Township Police would like to kindly remind parents to stay mindful of their children's activities and behavior.

Earlier this year, enhanced penalties were introduced under the Curfew Ordinance, which holds parents accountable if minors violate curfew. We encourage parents to talk with their children, know where they'll be, and who they'll be with. Let's all work together to make sure that Halloween remains a fun and safe time for everyone, as unruly behavior won't be tolerated during the season.

The men and women of the Gloucester Township Police Department are here to help everyone enjoy a safe and festive Halloween. For more details about the Curfew Ordinance, [click here](#).
