Mayor Mayer Applauds Triton Senior Maggie Chen at American Legion Oratorical Contest

Mayor David Mayer attended the American Legion Oratorical Contest at Post 281, where he had the privilege of witnessing the incredible talent and dedication of Maggie Chen, a senior at Triton High School and the sole contestant in this year's competition.

Maggie delivered an inspiring and eloquent speech, demonstrating a deep understanding of the U.S. Constitution and the fundamental principles of American citizenship. Her poise, knowledge, and passion for civic engagement truly stood out, exemplifying the spirit of this prestigious event.

Mayor Mayer commended Maggie for her hard work and commitment, emphasizing the importance of programs like the Oratorical Contest, in shaping future leaders and encouraging young people to engage with the democratic process.

Congratulations to Maggie Chen on her outstanding performance!

1st Coffee with a Vet of 2025 Brings Veterans Together

Gloucester Township's first Coffee with a Vet of the year brought local veterans together for meaningful conversation and camaraderie. Hosted by Mayor David Mayer and the Gloucester Township Office of Veterans Affairs at the Gloucester Township Senior Center, the event welcomed special guests Col. Gallagher from the Camden County Veterans Affairs Office and Senator Paul Moriarty, who joined in honoring and supporting our veterans.

This monthly gathering, held on the last Tuesday of every month, provides a welcoming space for veterans to connect with one another.

We encourage all veterans to join us next month for great conversation and community spirit! For more information, [CLICK HERE!](#)

GT GaGa Ball Pit

A new recreational addition is now available for residents and visitors to enjoy at Mayfair Woods Park, located in the Mayfair Woods Development off of Tigerlily Lane. The park has officially opened its GaGa Ball pit, a project made possible by the hard work and dedication of Eagle Scout Graham Gariel, a member of Troop 184.

Graham reached out to the township with a proposal for the GaGa Ball pit, suggesting it as a great new addition for the local community. The idea was quickly embraced, and with the assistance of Gloucester Township's Public Works Department, the necessary materials were provided, and the pit was constructed.

The GaGa Ball pit is the result of Graham's Eagle Scout service project, a significant milestone in his scouting journey. The public can now enjoy this new feature, which offers a fun, safe, and exciting place for all ages to gather and play.

This addition not only provides a new form of recreation but also highlights the positive impact that young leaders like Graham can have on their communities.

The GaGa Ball pit is now open and ready for use—another great way for the residents of Gloucester Township to connect and enjoy outdoor activities.
