### GTPERKS Program: Honoring Our Community Heroes

Gloucester Township Mayor David Mayer is proud to announce the upcoming launch of the GTPERKS Program, an exciting new initiative designed to honor and support our senior residents (55+) and veterans. The program has been set to launch exclusively for Gloucester Township businesses first, with the intention to extend its benefits to local seniors and veterans soon.

Gloucester Township Mayor David Mayer is proud to announce the upcoming launch of the GTPERKS Program, an exciting new initiative designed to honor and support our senior residents (55+) and veterans. The program has been set to launch exclusively for Gloucester Township businesses first, with the intention to extend its benefits to local seniors and veterans soon.

#### What is GTPERKS?

GTPERKS will provide seniors and veterans with exclusive access to discounts and special offers at participating businesses throughout Gloucester Township. This program is a unique way for our community to show appreciation for those who have contributed so much—whether through years of service in our armed forces or simply being a valued part of our community.

#### How It Works:

Starting now, local businesses can sign up to be part of the GTPERKS network. In return, they will be able to offer discounts and special deals to seniors and veterans who join the program. GTPERKS members will receive an official membership card that can be used at participating businesses. This initiative isn't just about discounts—it's about encouraging residents to shop and support local businesses. The GTPERKS program aims to keep shopping and spending within our own community, benefiting both business owners and our local heroes.

#### The Benefits:

- For Businesses: Being a part of GTPERKS gives you the opportunity to give back to the community while attracting new customers. It's a way to show your support for seniors and veterans who have given so much.
- For Seniors and Veterans: Once launched to them, this program will provide a range of benefits, including discounts and exclusive offers at local shops, eateries, and services—all designed to show our deep gratitude for their dedication and service.
- For Gloucester Township: This program brings people together to support local businesses, keeps money circulating within our community, and strengthens the bond between our local heroes and the businesses that serve them.

#### How to Sign Up:

Businesses can contact MaryJo Dintino at 856-633-8090 or via email at [mdintino@glotwp.com](mailto:mdintino@glotwp.com) to register for the GTPERKS Program. We encourage you to join and start offering perks to our seniors and veterans as soon as the program opens to them. To learn more or if you have any questions, please reach out to the Mayors office at 856-374-3514 or email [mayor@glotwp.com](mailto:mayor@glotwp.com).

### Gloucester Township Holds Successful Flag Retirement Ceremony

Gloucester Township recently hosted a U.S. Flag Retirement Ceremony, honoring our nation's flag and those who have served under it. The event, led by Mayor David R. Mayer, the Township Council, and the Office of Veterans Affairs, provided a respectful and dignified setting for the retirement of worn American flags.

Flags that had been collected at the community's flag drop boxes—located at Camden County College, Veteran's Park, and Community Park by Veterans' Memorial—were properly retired in accordance with tradition. Guests were also invited to bring their own flags for respectful disposal during the ceremony.

The event was assisted by the Lambs Terrace Fire Company, which helped oversee the ceremonial burning of the flags. Following the ceremony, attendees enjoyed a complimentary barbecue, fostering a sense of community and camaraderie among residents.

The flag drop boxes, introduced by Mayor Mayer and Chief of Police David Harkins in 2021, continue to offer a safe and respectful means for Gloucester Township residents to dispose of old flags. The ceremony and the ongoing efforts highlight the community's dedication to honoring the American flag and the veterans who have served under it.

## A Message from Mayor David Mayer

Warmer weather is finally here, and summertime is just days away! It's time to enjoy the great outdoors—our beautiful parks, sports fields, and recreational spaces around Gloucester Township. We have plenty of events planned, including some longtime favorites and exciting new opportunities for residents to enjoy.

We're kicking things off with the Annual Gloucester Township Business Breakfast on May 8th at Valleybrook Country Club. Sponsored by the Gloucester Township Economic Development Partnership, this event is a great opportunity for local business owners to network and learn about the latest economic development initiatives happening in town. Registration is still open and available on the municipal website.

This year, we introduced Coffee with a Veteran, a new initiative bringing our veteran community together to honor and connect with the brave men and women who have served our country. Held at the Gloucester Township Senior Center and sponsored by Boswood Bagels, this monthly gathering offers residents the chance to share a cup of coffee, hear inspiring stories, and engage in meaningful conversations with our local veterans. Each event features exciting guest speakers, making it a must-attend on the last Tuesday of every month.

Veterans Park is the place to be this summer! Kick off the season with our beloved Movies in the Park starting on May 23rd, followed by the highly anticipated Sounds of Summer Concert Series, with dates to be announced soon. Then, on June 21st, join us for the Second Annual Gloucester Township Juneteenth Celebration, a vibrant, family-friendly event featuring a cultural marketplace, live music, and entertainment for all to enjoy.

Several years ago, we brought back the tradition of drive-in movies to Gloucester Township, and we're thrilled to continue it with the 8th Annual Drive-In Movie on September 13th at Camden County College. Save the date and bring your family and friends for a night of fun and lasting memories!

And last but not least, I am proud to announce the launch of the GTPERKS Program, rolling out in late spring/early summer. This new initiative supports our veterans and residents aged 55 and older by offering discounts at participating businesses throughout Gloucester Township. We're working closely with local businesses to expand participation, and more details will be shared soon. In the meantime, I encourage you to spread the word and stay tuned for updates on how you or a loved one can take advantage of these special savings.

To stay informed about all that's happening in Gloucester Township, be sure to tune in to On the Air with Mayor Mayer! This monthly podcast highlights community initiatives, local businesses, and important township updates. You can catch new episodes every month on our website and streaming platforms. ## Seward Johnson Sculptures Bring Art to Life in Gloucester Township

Gloucester Township has had the privilege of hosting two stunning Seward Johnson sculptures, *My World* and *Elemental*, transforming everyday spaces into immersive artistic experiences. Known for his incredibly lifelike sculptures, Johnson's work captures the beauty of ordinary moments, inviting viewers to pause, reflect, and engage with art in a meaningful way.

Since their arrival, these statues have brought a new vibrancy to our community, sparking conversation and admiration among residents and visitors alike. *My World*, located in front of the Library, depicted a heartwarming scene of connection and contemplation, while *Elemental* at Harwan Park showcased Johnson's ability to evoke emotion through form and detail. These sculptures seamlessly blended into their surroundings, making it feel as though art had stepped into real life.

"On behalf of our community, I am delighted to welcome Seward Johnson's sculptures to historic downtown Blackwood. We are truly honored to have these magnificent works of art grace our streets, adding to the rich cultural tapestry of our town," said Mayor Mayer.

As the exhibit comes to a close in mid-March, the impact of these sculptures will not be forgotten. The success of this installation has inspired Gloucester Township to bring more of Johnson's work to our community. Three new sculptures—*Chance Meeting* at Ren's Coffeehouse and Books, *Weekend Painter* at Harwan Park, and *Forever Marilyn* at the future Gloucester Township Community Arts Center—will arrive later this spring, continuing the tradition of bringing world-class public art to our town.

Sponsored by the Gloucester Township Neighborhood Preservation Program, these exhibits have enriched our community, proving that art has the power to connect us all. Stay tuned as we prepare to welcome the next chapter of Seward Johnson's legacy right here in Gloucester Township!

## COMMUNITY NEWS

### Community Arts Center Update

The excitement for the Old Bank Building on Blackhorse Pike is ongoing as the Phase 2 work is getting underway. Phase 1 work is nearly finished with just a few punch list items to complete. The new entrance is similar to the old original entrance built over 100 years ago with an inviting stair, large columns and oversized wood doors. Exterior work on the stone and restoration of the crown molding have been completed. On the interior, completed ADA work includes the handicap lift and bathrooms.

A Phase 2 kick-off meeting was recently held on site. Most of the Phase 2 work will include the fit-out of the interior spaces of the Old Bank Building to convert it to a multi-purpose Community Center. The interior stone walls will be furred in order to add insulation to meet the current energy codes. New base, crown and wainscot moldings will be added to the new furred out walls to enhance the look and feel of the space.

The old bank vault will remain in place and be converted to a small concession stand as needed for certain events. We will install casework, a refrigerator and a hand sink as necessary. The vault door which is over 500 pounds will remain. The rust will be removed and will be cleaned up as much as possible.

Up at the ceiling, a theater pipe rail system will be installed for lighting and sound systems. In an effort to cover some of the roof rafters, a suspended cloud ceiling system will be installed between the pipe rail system.

New flooring will be installed throughout to complete the finishes for the space. We know a lot of local residents have visited the building over the years and we are anticipating the new space will not disappoint.

We are working toward a final construction completion date in August. We hope to see you at the ribbon cutting ceremony or at an event held at the building in the fall.

## SOLUTIONS TO STORMWATER POLLUTION

In accordance with our NJDEP Tier A Municipal Stormwater General Permit, the Twp. adopted various Ordinances to regulate the impact of stormwater runoff and pollutants on the environment.

**1. Pet Waste:** This requires pet owners to pick up and properly dispose of pet waste dropped on public or other people's property. It prevents fecal contamination from impacting the local waterways.

**2. Litter:** This states it is unlawful to throw, drop, discard or otherwise place litter of any nature upon any public or private property, other than in a litter receptacle. This prevents unsightly & unsanitary conditions & prevent litter from impacting waterways.

**3. Improper Disposal of Waste:** This states that it is illegal to dispose of waste in any place not specifically designated for the purpose of solid waste storage or disposal. The purpose is to prevent unsanitary conditions and groundwater pollution.

**4. Wildlife Feeding:** Feeding of water fowl on municipal park property is prohibited by Ordinance. The Township enacted the Ordinance as a method to reduce water fowl population in response to health concerns regarding bacteria which is harmful to humans and fish populations.

**5. Yard Waste:** Yard waste is regulated by Ordinance which establishes the current zone collection system and the methods of collecting leaves, brush, and other yard waste. The purpose is to keep leaves and grass out of the storm sewer system.

**6. Illicit Connections:** This makes it unlawful to connect any pipe or device to the municipal storm sewer system that is intended to discard, spill or dump any material other than stormwater runoff or ground water (sump pumps) into the system. The purpose of this Ordinance is to prevent pollution and contamination of waterways which receive discharge from our storm sewers.

The transport of pollutants into local water bodies destroys fish, wildlife and habitats; threatens public health and causes the loss of recreational and aesthetic value. We have enacted these Ordinances to protect our environment, and to keep pollutants that are commonly conveyed by stormwater from adversely impacting our waterways and groundwater supplies.

Please keep grass clippings out of the street and our waterways. It is against DEP state and local regulations. The grass clippings clog our storm waterways and put toxic chemicals into our waterways.

**Dispose of your American Flag properly! Public Works collects American Flags and will dispose of them.**

## White Goods Pick-Up

Public Works now picks up white goods: refrigerators, air conditioners, ranges, washers, dryers and hot water heaters. Please call PW for items to be picked up.

## **GLOUCESTER TOWNSHIP DAY SCHOLARSHIP COMMITTEE**

The Gloucester Township Day Scholarship Committee provides scholarship money to High School seniors who live in Gloucester Twp. For more information, please scan the QR Code.

The Township of Gloucester, in collaboration with the Gloucester Township Day Scholarship Committee, has made the difficult decision to postpone Gloucester Township Day until further notice. The event was originally scheduled for June 7, 2025. This decision follows at the recommendation of the Gloucester Township Police Department, who was made aware of social media post comments that threaten potential lawless behavior during the event. In light of the unruliness and violence experienced at the end of the 2024 Gloucester Township Day event, the safety and well-being of our residents, families, and visitors remain our top priority.

Mayor David Mayer stated, "Gloucester Township Day is a beloved tradition that brings our community together in celebration. However, we must take all potential threats seriously. Out of an abundance of caution and with the safety of all in mind, we are postponing this year's event until a later date."

Gloucester Township Police Chief David Harkins added, "Our department was made aware of disturbing comments made following a Gloucester Township Instagram posting on March 9, 2025, regarding Gloucester Township Day. The posting was copied and used on other social media platforms, where it saw unusually high activity, which included threats of lawless and violent activity at the 2025 Gloucester Township Day event. We take the safety of our Gloucester Township community very seriously, and it is for these credible reasons that I recommended that the event be postponed."
