Gloucester Township Arts Market & Green Fair Recap

Sunday was a great day at our Arts Market & Green Fair celebrating creativity and sustainability in the community! We had a good turnout with vendors of all kinds showcasing art, crafts, and more. The music kept the energy up, the food was delicious, and Mr. Foamtastic brought big smiles with his foam party fun for the kids in Harwan Park!

Thank you to everyone who stopped by the Gloucester Township table to take the Green Team pledge for a free reusable tote bag and to check out the GT EV car! [CLICK HERE](#) for more photos!

COFFEE WITH A VET

April's Coffee with a Vet featured an inspiring visit from Maj. John Hunt (Ret.), a lifelong public servant and retired military officer who now leads Gloucester Township Police Department's innovative Community Resource K9 (CRK9) Program.

Maj. Hunt shared powerful insight into how this transformative initiative uses Animal Assisted Intervention to support individuals affected by Substance Use Disorders, enhance officer wellness, and build trust through compassionate community outreach. Attendees also had the chance to meet the beloved K9, Axel, adding a few tail wags and smiles to the morning!

Thank you to everyone who joined us for this meaningful conversation and to Maj. Hunt for his continued dedication to healing and connection—on and off duty.

Help Us Find a Life-Saving Match for Beth

We share a heartfelt story from one of our own—a dedicated community leader and proud father, Dennis Paris, whose daughter, Beth, is in urgent need of a kidney donor.

Beth, a 33-year-old wife, mother, and veterinary professional, has been bravely living with chronic kidney disease for many years. She is the loving mom of a 6-year-old son with autism and a friend to so many in our community. Beth has devoted her life to caring for animals and giving her son the best life possible—but now, she needs help.

Her kidney function is rapidly declining. While she’s not on dialysis yet, a transplant is critical to keep her healthy and strong—for herself, and for her family. Despite many family members and close friends stepping up to be tested, none have been a match. We’re now turning to the power of community and compassion in the hopes that someone, somewhere, might be.

If you are healthy and have ever considered becoming a living kidney donor, please think of Beth. The process through the National Kidney Registry is simple—and it could save a life.

Beth’s story is a powerful reminder of how interconnected we all are. Please share her story with your friends, family, and extended network. Every share helps us get closer to finding the match Beth desperately needs.

From the bottom of our hearts, thank you for your support, your prayers, and for being a part of a community that always comes together when it matters most.

LUCK OF THE DRAW PICKLEBALL TOURNAMENT

The Luck of the Draw Pickleball Tournament held this past Saturday at Gloucester Township Community Park was a fantastic day of fun, fitness, and community spirit! Both the intermediate and advanced beginner brackets brought out talented players, exciting match-ups, and plenty of smiles.

Mayor Mayer attended showing his continued support for our growing pickleball community and active recreational programming. His visit added to the energy of the event and reminded us how important community connection is—on and off the court.

Thank you to everyone who played, cheered, and made the day a success. We're already looking forward to the next tournament!
