GTWorks is Mayor David R. Mayer's weekly newsletter that informs residents of the current projects and events happening in Gloucester Township.

From Police Department to Public Works to Department of Recreation, we want you to stay in the know about the latest news in our community!

Healthy Kids Running Series Keeps Gloucester Township Families Moving!

Gloucester Township is proud to celebrate another exciting season of the Healthy Kids Running Series (HKRS)—a five-week youth running program that's all about building confidence, encouraging healthy habits, and bringing our community together.

On Mother's Day, the Gloucester Township HKRS crew hosted a special race honoring the moms who help make it all happen. Mayor Mayer joined the celebration, generously donating water bottles and beautiful flowers to all the participating moms. His presence and continued support made the event even more meaningful for our HKRS families, and we extend our sincere thanks!

This spring's HKRS series has been packed with energy, joy, and dedication from young runners aged 2–14, as well as their cheering families. The program, which started in 2009 and now runs nationwide, is rooted in the belief that children of all abilities can benefit from an active lifestyle and the self-esteem that comes with setting and achieving goals.

With themed races like the upcoming Pajama Day Race on May 18, fun is always at the forefront! Kids are encouraged to wear their favorite PJs and race in comfort and style. Then, on June 1, the season wraps up with an Award Ceremony and Spirit Day—a celebration of every runner's progress and effort. Participants will show their HKRS pride by wearing their Healthy Kids Running Series shirts one final time this season.
