Please be advised that Municipal Offices will be closed Thursday, July 3rd, in observance of the holiday. Additionally, there will be no trash or recycling collection on Friday, July 4th. # GT FARMERS MARKET: SUNSHINE, SHOPPING, AND SWEET MOMENTS

Our first Farmers Market of the season was a wonderful success. Thank you to our community for coming out to enjoy a vibrant day filled with local goods and live music! Fresh produce was generously provided by Tony Morelli with all proceeds going to benefit Field of Dreams—an incredible organization that gives children with disabilities the chance to play baseball and be part of a team.

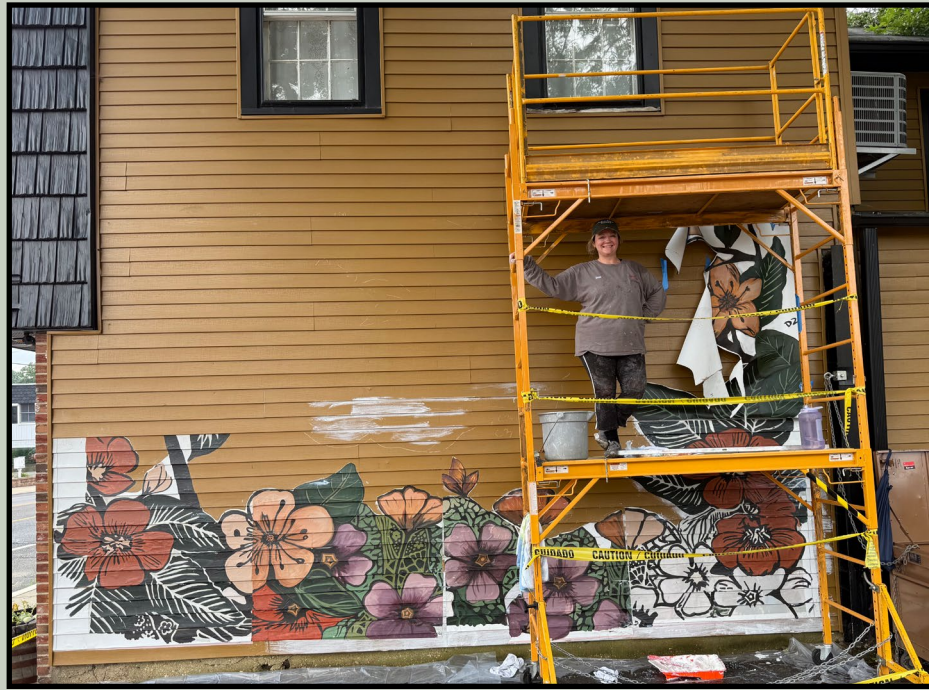

Live music by 2 Dream kept the crowd energized and smiling throughout the afternoon. Shoppers browsed a wide variety of vendors offering everything from natural bath and body products to local honey, handmade jewelry, crocheted items, tacos, cookies, and more. There was truly something for everyone!

If you missed it, don't worry—our next Farmers Market will be at Veterans Park (1261 Chews Landing Road) on Thursday, July 10 from 4 PM to 7 PM. We hope to see you there!

# Color in Motion: A New Mural is Blooming in the Arts District

Larissa Danowitz, the talented muralist who won the NPP Muralist Competition, has officially begun work on her vibrant mural at Mystic Ginger Hair Salon and Apothecary, located at 26 S. Black Horse Pike. Her work is a colorful step forward in building up the Downtown Blackwood Arts District—bringing energy, creativity, and new life to the heart of the community. Keep an eye out as this stunning mural comes to life and adds another layer of charm to our growing arts scene.

## A Bold New Beginning: Ribbon Cutting at Praying For Pain Tattoo Studio

Praying For Pain Tattoo Shop is officially open for business — and we're beyond excited to welcome this bold and beautiful new space to Gloucester Township! Located at 1031 Little Gloucester Road, this one-of-a-kind tattoo studio is the artistic vision of local entrepreneur and tattoo artist Kaylee Collins, who poured her heart, soul, and passion into creating a place where artistry meets authenticity.

We celebrated the shop's official Grand Opening with a ribbon-cutting ceremony. A special thank you to Assemblyman Dan Hutchison for joining us and helping commemorate the occasion with a heartfelt welcome.

Kaylee has long been known for her detailed line work, stunning realism, and dedication to creating meaningful, lasting body art. Now she has a studio that reflects that same dedication. Praying For Pain is more than just a tattoo shop; it's a creative sanctuary where every design tells a story and every client is treated like family.

Whether you're looking for your first tattoo or adding to a growing collection, Kaylee and her team are here to bring your vision to life in a clean, welcoming, and professional environment.

Congratulations to owner, Kaylee Collins and the Praying For Pain team on this exciting new chapter. We're thrilled to welcome you to Gloucester Township and can't wait to see your artistry thrive! [CLICK HERE](#) for more information.
