Located in Gloucester Township, Uneeda Barber Company offers more than just a haircut—it delivers an experience. With over 25 years of combined industry expertise, the team provides a full lineup of grooming services including precision cuts, beard trims, hot towel shaves, and kids’ haircuts.

What truly sets this barbershop apart is its one-of-a-kind atmosphere: a horror movie-inspired barbershop that blends modern edge with vintage fright. From the blood-red barber chairs to the spine-chilling decor, this business is a creative nod to cult classics and spooky cinema. It’s stylish, bold, and deliberately offbeat—perfect for those who like their grooming experience with a twist.

Whether you’re stopping in for a trim or the full Uneeda Barber Company treatment, their skilled barbers combine classic techniques with personalized service to make each visit unforgettable. Gloucester Township is proud to support imaginative, locally owned businesses like Uneeda Barber Company and looks forward to their continued success in the community.
