## Gloucester Township Police Support Safe School Travel

Gloucester Township Police Patrol Officers and School Resource Officers periodically follow school buses during morning drop-offs and afternoon routes to help ensure student safety. This proactive effort helps deter distracted driving, reinforces the importance of stopping for school buses with activated red lights, and provides an added layer of security for students. Officers may also stop at bus stops to interact with students, strengthening positive relationships as part of the Police Department's ongoing commitment to community relations and public safety.

Every February, Gloucester Township Mayor and Council celebrate Black History Month by honoring outstanding African American members of our community. Nominations are now being accepted for exemplary citizens who have demonstrated significant contributions in community service, personal or professional achievements, or general good deeds that have impacted favorably on our citizens.
