GTWorks is Mayor David R. Mayer's weekly newsletter that informs residents of the current projects and events happening in Gloucester Township. From Police Department to Public Works to Department of Recreation, we want you to stay in the know about the latest news in our community!

2026 MLK Day of Service

Gloucester Township would like to thank all of the volunteers who dedicated their time and energy to the 2026 MLK Day of Service. From creating blankets for a local women's shelter, to preparing dog treats for Homeward Bound, to assembling thoughtful "pick-me-up" jars for senior citizens, each act of service made a meaningful impact. These projects were a powerful reflection of the spirit of giving and compassion that define this day and served as a meaningful way to honor the enduring legacy of Martin Luther King Jr.
