Celebrating New Businesses in Gloucester Township!

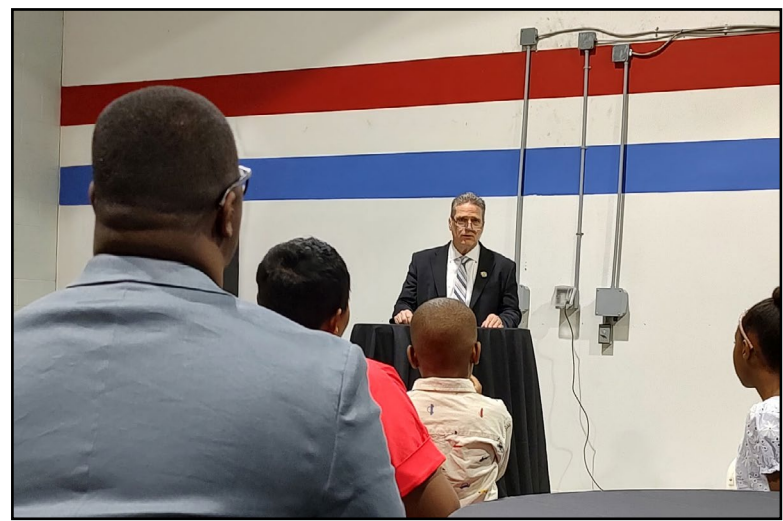

Mayor David R. Mayer and Councilman Ciri Castro celebrated the Grand opening of Marabella's (1401 Little Gloucester Road) with a ribbon Cutting. From pizza to bruschetta and a kids menu, this new spot has something for everyone. [CLICK HERE](#) for more info!

Mayor David R. Mayer, Senator Paul Moriarty and Councilman Ciri Castro cut the ribbon for the new restaurant, Carmen's Table (2 East Evesham Road). This Puerto Rican-infused BBQ brings bold, delicious flavor to GT. [CLICK HERE](#) to learn more about this business.

Assemblyman Dan Hutchison and Dennis Paris, President of the GT Economic Development Partnership cut the ribbon for One Hour Heating & Air Conditioning (920 West Blenheim Ave)! This business provides reliable heating and cooling services to our community. [CLICK HERE](#) to check them out!

A Wish Come True on World Wish Day

On World Wish Day, Assemblyman Dan Hutchison attended a heartfelt celebration at The Learning Experience in Blackwood on behalf of Gloucester Township, where six-year-old Aurora received the surprise of a lifetime. Surrounded by students, teachers, and community members, Aurora learned that her wish to visit Walt Disney World and have a princess tea party had officially been granted.

Aurora, who has bravely battled a life-threatening heart condition, dreamed of meeting her favorite Disney princesses, and thanks to Make-A-Wish New Jersey and The Learning Experience, that dream is now becoming a reality. The event was filled with joy, celebration, and a powerful reminder of the impact of community support in bringing hope to children and families during difficult times.
