Welcome to Live at Harmony Hall, an eight-show concert series bringing exceptional music, storytelling, and unforgettable performers to Gloucester Township. Presented with Mainstage Center for the Arts, the series offers an intimate alternative to traditional theater—audiences get closer to the artists, their stories, and a wide range of music, from jazz and Broadway to Brazilian rhythms, the Great American Songbook, timeless standards, and iconic pop.

Celebrate the women whose voices helped shape generations of American popular music at our first concert on September 26 at 7PM. Cover Girls: Women in Music Through the Ages moves through decades of unforgettable songs associated with legendary performers including Rosemary Clooney, Ella Fitzgerald, Patsy Cline, Carole King, Barbra Streisand, Dusty Springfield and more. Park Smart at GT Community Park

Gloucester Township Police Park Patrols have recently observed vehicles parked on grass and other non-designated areas, particularly during busy games, practices, and events.

As a reminder, vehicles must be parked only in designated and posted areas throughout Gloucester Township parks and recreation areas, as required by Gloucester Township Ordinance § 65A-10 – Vehicles; Parking.

Please keep vehicles off the grass, out of pedestrian areas and roadways, and never park where you could interfere with traffic or emergency access.

If the closest parking area is full, please take a few extra minutes to find another designated space.

For assistance, contact the Gloucester Township Police Department at 856-228-4500. For park-related questions, contact the Recreation Department at (856) 435-5734 or recdept@glotwp.com.

Labor Day Safety

Gloucester Township Police is joining MADD NY | NJ | PA and law enforcement agencies nationwide for Saturation Saturday on August 29, 2026, a campaign focused on preventing impaired driving during the busy Labor Day travel period.

Motorists may see an increased law enforcement presence as officers work to identify and remove impaired drivers from the roadways.

If you plan to drink, plan ahead: designate a sober driver, use a rideshare, taxi, or public transportation, and never drive or ride with someone who is impaired. If you see a suspected impaired driver, safely pull over and call 9-1-1.

Make the responsible choice this Labor Day: Drive Sober or Get Pulled Over.

As your Mayor, I'm eager to hear from you should you have questions or concerns; so please do not hesitate to call my office at (856) 374-3514 or email me at dmayer@glotwp.com

I'd like to thank you for choosing our beautiful Gloucester Township as your home and for making our community a great place to live, work and play!
