THIS SATURDAY: DRIVE-IN MOVIE

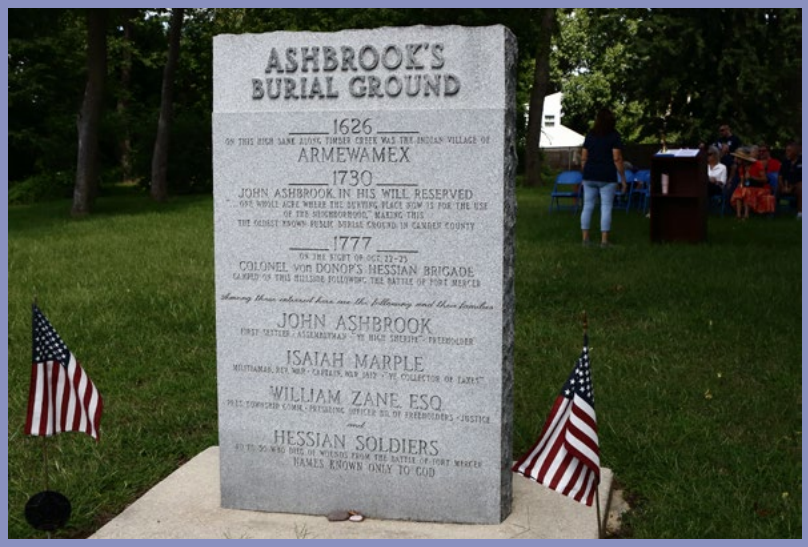

Get ready to travel back in time at Gloucester Township's Drive-In Movie Night this Saturday, September 12, beginning at 5:30 p.m. at Camden County College!

New this year, our Drive-In Movie Night Contest is free to enter, and everyone is welcome to participate! Compete in one of three fun categories: Best Decorated Vehicle, Best Costume, or Best Family or Group Costume.

Transform your vehicle with a Back to the Future, 1950s, 1980s, or futuristic theme. Dress as your favorite character, break out your best '50s or '80s outfit, or gather your family and friends for a creative group costume. Costume judging will take place at 6:30 PM at the GTDSC table, with prizes awarded shortly after. Decorated vehicles will line up in Row 4 of the parking lot.

Prizes will be awarded to the winners, so start planning your look, decorate your ride, and come ready for a fun night with the whole community. Whether you enter the contest or simply come to enjoy the movie, we would love to see you there!

Senator Moriarty Visits Hider Lane Seniors

Thank you to Senator Paul Moriarty of the Fourth Legislative District for visiting the Hider Lane monthly meeting to share valuable information about state programs and benefits available to seniors. Residents learned about the Senior Freeze, ANCHOR, and Stay NJ programs, along with other important resources designed to help seniors save money, remain independent, and stay informed about services available to them.

Welcome Back to School

Gloucester Township schools have started this week. Drivers are reminded to use extra caution around school buses, bus stops, school zones, and neighborhoods.

Yellow flashing bus lights: Slow down. The bus is preparing to stop for students.

Red flashing bus lights: Stop at least 25 feet in front of or behind the bus and remain stopped until the lights stop flashing, the stop-arm and sign are withdrawn, and the bus begins moving.

Even when bus lights are not flashing, watch for children, especially during morning arrival and afternoon dismissal. Stay alert when backing out of driveways and driving near schools and bus stops.

Drive carefully and help keep our students safe!

Back-to-School Pedestrian Safety

As students return to school in Gloucester Township, the Gloucester Township Police Department reminds families to make pedestrian safety part of their daily routine.

Parents: Please review these safety tips with your children and practice the safest route to and from school:

Use sidewalks and designated crosswalks whenever possible.

If no sidewalk is available, walk in a well-lit area with a clear view of traffic.

Before crossing, look left, right, and left again for approaching vehicles.

Stay alert and focused while walking. Avoid phones, headphones, and other distractions.

Never play, push, or shove near traffic.

By working together, we can help ensure a safe start to the school year for everyone in Gloucester Township.

As your Mayor, I'm eager to hear from you should you have questions or concerns; so please do not hesitate to call my office at (856) 374-3514 or email me at dmayer@glotwp.com

I'd like to thank you for choosing our beautiful Gloucester Township as your home and for making our community a great place to live, work and play!
