

CHANGE IN SEWER BILLING SCHEDULE

To align with the tax billing schedule, sewer charges will be billed quarterly, the same as the tax bills, and will be due on February 1, May 1, August 1, and November 1. A ten-day grace period will apply, with the due date counted as the first day of the grace period, the same as the tax bills. Payments received after the grace period will be subject to interest charges retroactive to the actual due date.

The February quarterly bill will be issued in the coming weeks and will be calculated using the prior billing rate.
