¹ = Scaled data.

= Variance required.

Variance Expiration: The applicant is advised that variances will expire unless construction commences within two (2) years of the date of the granting of the variance.

II. VARIANCE COMMENTS

The application as submitted requires the following variance:

§405.F – R-3 Residential District, Area, Yard, Height and Building Coverage

1. Rear yard: (±18 ft. provided v. 30 ft. minimum required).

POSITIVE CRITERIA ("C1" and "C2" variances)

The applicant must address and the Zoning Board of Adjustment consider the following in satisfying the positive criteria for the requested variances:

2. The Board has the power to grant a variance where by reason of exceptional narrowness, shallowness, shape, or topographic conditions or physical features, or an extraordinary and exceptional situation affecting a specific property, the strict application of the zoning regulations would result
in peculiar and exceptional practical difficulties to, or exceptional and undue hardship upon the development of such property (basis 40:55D-70c(1)).

Also, the Board has the power to grant a variance when the purpose of the Municipal Land Use Law would be advanced by the deviation of the zoning ordinance and the benefits would substantially outweigh the detriments (basis N.J.S.A. 40:55-70c(2)).

NEGATIVE CRITERIA

The Board should not grant a variance unless it is clearly demonstrated that said variance can be granted without substantial detriment to the public good and will not substantially impair the intent and purpose of the zone plan and zoning ordinance (basis N.J.S.A. 40:55D-70).

III. NOTICE REQUIREMENTS

The applicant must notice for the following variance:

From Section 405.F, Area, Yard, Height and Building Coverage, to permit a deck and pergola eighteen (18) feet from the rear lot line (30 feet minimum required).

I have no further comments regarding this application at this time; however, we reserve the right to provide additional comments during the public hearing to advance the planning process.

**Variance Expiration:** The applicant is advised that variances will expire unless construction commences within two (2) years of the date of the granting of the variance.
II. Variance Comments

The application requires the following variances from the Land Development Ordinance based on scaled data from the sketch (survey) provided by the Applicant.

§425.C(3), Fences
1. To install a six (6) foot high vinyl fence zero (0) feet from the property line along Willow Cedar Way (15 ft. minimum required).

Positive Criteria ("C1" and "C2" variances)
3. The Applicant must address and the Zoning Board of Adjustment consider the following in satisfying the positive criteria for the requested setback variance:
   a. The Board has the power to grant a variance where by reason of exceptional narrowness, shallowness, shape, or topographic conditions or physical features, or an extraordinary and exceptional situation affecting a specific property, the strict application of the zoning regulations would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardship upon the development of such property (basis 40:55D-70c(1)).
   b. Also, the Board has the power to grant a variance when the purpose of the Municipal Land Use Law would be advanced by the deviation of the zoning ordinance and the benefits would substantially outweigh the detriments (basis N.J.S.A. 40:55-70c(2)).

Negative Criteria
The Board should not grant a variance unless it is clearly demonstrated that said variance can be granted without substantial detriment to the public good and will not substantially impair the intent and purpose of the zone plan and zoning ordinance (basis 40:55D-70).

III. Notice Requirements

The applicant must notice for the following variance:
From Section 425.C(3) to construct six (6) foot high vinyl fence zero (0) feet from the property line along Willow Cedar Way (15 ft. minimum required).

IV. Recommendations

I have no further comments regarding this application at this time; however, reserve the right to provide additional comments during the public hearing to advance the planning process.

RESOLUTION OF FINDINGS AND CONCLUSION

BOARD OF ADJUSTMENT

TOWNSHIP OF GLOUCESTER

APPLICATION # 152032CDSPW
BERNIE WILSON
Block 5403, Lot 11

WHEREAS, Bernie Wilson, is the tenant of the land and premises located at 1414 Blackhorse Pike in the Blackwood section of the Township of Gloucester, New Jersey having made application to the Zoning Board of Adjustment of the Township of Gloucester, Camden County, for a Bulk C & Use "D" Variance(s) and Site Plan waiver to operate a auto repair and towing business, for the property located upon Block 5403, Lot 11, as shown on the Official Map of the Township of Gloucester, located in an CR Zone, said application being pro-se; and

WHEREAS, the Board after carefully considering the representations made by the applicant at the public hearing held on June 24, 2015 as well as having reviewed the application and evidential exhibits at said hearing, has made the following factual findings and conclusions based thereon;

1. The applicant, Bernie Wilson is the tenant of the land and premises located at 1414 Blackhorse Pike, in the Blackwood section of Gloucester Township, New Jersey, as shown on Block 5403, Lot 11, on the Official Tax Map of the Township of Gloucester, located in a CR Zone.

2. Proper notice was afforded all adjacent property owners as provided by the applicable statutes and ordinances, and the applicant provided proof of said notice.

3. All property taxes were paid to date.
4. After being sworn, the applicant testified that the property had been a gas station and has been vacant for a long time. He stated his business is for mechanical repairs only and there is no body work done on any vehicles and the towing is only to get the vehicles to his location for mechanical repairs only. His hours of operation are 7 to 7 Monday to Friday and one half day on Saturday.

Addison Bradley, a professional Planner, they would be cleaning up the location and this would improve the area. He indicated the bulk variances are existing and this use would be less intensive than the permitted gas station use. He was of the opinion that a site plan waiver would be appropriate and they would add landscaping and buffering along Blackhorse Pike. Introduced into evidence was A-1 photos and aerial of the site along with a sketch of the site. The Board, however, was of the opinion that a minor site plan needs to be submitted showing the buffering, landscaping, lighting and ingress and egress to the site.

5. The adjacent neighbor expressed concerns about how the property would appear and these issues will be addressed by requiring a minor site plan.

UPON MOTION duly made and seconded to grant the applicant a variance to allow an auto repair and towing the Board voted seven (7) in favor, none(0) against and zero (0) abstentions, thus granting the relief requested; and

WHEREAS, the Board has determined that the relief requested by the applicant may be granted without substantial detriment to the public good and otherwise without impairing the intent and purpose of the Zoning Plan and Ordinances of the Township of Gloucester because of the size and shape of the lot and the Board was of the opinion that the benefits exceed any detriment; and
WHEREAS, the statutory purposes will be advanced by the granting of the relief requested;

NOW THEREFORE BE IT RESOLVED, by the Zoning Board of Adjustment of the Township of Gloucester on this 24th day of June, 2015 that the applicant, Bernie Wilson, is hereby granted the aforesaid variance for the property located upon Block 5403 Lot 11 as shown on the Official Tax Map of the Township of Gloucester, consistent with the testimony, application and exhibits, same of which are incorporated herein conditioned upon a minor site plan to be submitted to the Board and the towing is limited to vehicles being brought in for mechanical repairs only.

RESOLUTION OF FINDINGS AND CONCLUSION
BOARD OF ADJUSTMENT
TOWNSHIP OF GLOUCESTER
APPLICATION # 152032CDSPWMS
Bernie Wilson
Block 5403, Lot 11

WHEREAS. Bernie Wilson, is the tenant of the property located at 1414 North Black Horse Pike, in the Blackwood section of the Township of Gloucester, New Jersey having made application to the Zoning Board of Adjustment of the Township of Gloucester, Camden County, for a minor site plan, for the property located upon Block 5403, Lot 11, as shown on the Official Map of the Township of Gloucester, located in an CR Zone, said application being pro-se: and

WHEREAS, the Board after carefully considering the representations made by the applicant at the public hearing held on August 26, 2015 as well as having reviewed the application and evidential exhibits at said hearing, has made the following factual findings and conclusions based thereon:

1. The applicant, Bernie Wilson is the tenant of the land and premises located at 1414 North Black Horse Pike, in the Sicklerville section of Gloucester Township, New Jersey, as shown on Block 5403, Lot 11, on the Official Tax Map of the Township of Gloucester, located in a CR Zone.

2. Proper notice was afforded all adjacent property owners as provided by the applicable statutes and ordinances, and the applicant provided proof of said notice.

3. All property taxes were paid to date.

4. After being sworn, Addison Bradley, a professional planner testified on behalf of the applicant. He indicated that a use variance was previously granted and that the bulk variances
are all existing. He explained the site, paving and landscaping. He reviewed Mr. Lechner’s letter and was in agreement with same except the board determined there was no need for a loading dock. There was discussion about the sidewalk waiver and also the planning of Leyland Cyprus trees in back of the building for proper screening purposes and also the applicant agreed to remove some asphalt and plant other trees. The board agreed that a sidewalk waiver would be allowed at the drive way only and that the existing signs were to be removed. The applicant also agreed as a condition of approval that there would be no lifts or repairs outside the building, that the existing signs would be removed and that he would submit new plans with the changes mentioned at the meeting. He also agreed that all repairs will be completed by April 1, 2016.

5. There were no objections to the application.

UPON MOTION duly made and seconded to grant the applicant a minor site plan the Board voted four (4) in favor, and none (0) against, thus granting the relief requested; and

WHEREAS, the Board has determined that the relief requested by the applicant may be granted without substantial detriment to the public good and otherwise without impairing the intent and purpose of the Zoning Plan and Ordinances of the Township of Gloucester because of the size and shape of the lot and the Board was of the opinion that the benefits exceed any detriment; and

WHEREAS, the statutory purposes will be advanced by the granting of the relief requested:

NOW THEREFORE BE IT RESOLVED, by the Zoning Board of Adjustment of the Township of Gloucester on this 26th day of August, 2015, that the applicant, Bernie Wilson, is hereby granted the aforesaid minor site plan for the property located upon Block 5403, Lot 11 as shown on the Official Tax Map of the Township of Gloucester, consistent with the testimony,
application and exhibits, some of which are incorporated herein, and further conditioned upon the applicant complying with the condition previously enumerated.

RESOLUTION OF FINDINGS AND CONCLUSION

BOARD OF ADJUSTMENT

TOWNSHIP OF GLOUCESTER

APPLICATION #152005DCM
1743 FARMHOUSE, LLC
Block 3306, Lot 11 & 12

WHEREAS, 1743 FARMHOUSE, LLC, is the record owner of the land and premises located at 1010 East Evesham Road in the Magnolia section of the Township of Gloucester, New Jersey having made application to the Zoning Board of Adjustment of the Township of Gloucester, Camden County, for a Use variance to permit a Catering/Wedding facility in a R3 Zone and a minor subdivision for the property located upon Block 3306, Lot 11 & 12 , as shown on the Official Map of the Township of Gloucester, located in an R3 Zone, said application being represented by Dennis Riley Esq, and

WHEREAS, the Board after carefully considering the representations made by the applicant at the public hearing held on April 8, 2015 as well as having reviewed the application and evidential exhibits at said hearing, has made the following factual findings and conclusions based thereon:

1. The applicant, 1743 Farmhouse, LLC, is the record owner of the land and premises located at 1010 East Evesham Road, in the Magnolia section of Gloucester Township, New Jersey, as shown on Block 3306, Lot 11&12, on the Official Tax Map of the Township of Gloucester, located in an R3 Zone.

2. Proper notice was afforded all adjacent property owners as provided by the applicable statutes and ordinances, and the applicant provided proof of said notice.

3. All property taxes were paid to date.
4. After being sworn, Denise Harker, owner of the site explained that she is a wedding planner and they were hoping to use this site as a Wedding/Catering facility. She indicated they were stepping back in time since the house was built in 1743 and has the original interior, 21 rooms, a basement, original trees and landscaping. She also indicated there is a wedding tree that has been there since 1743. She indicated that her hours of operation would be mostly Friday and Saturday, however there may be some events during the week.

Norm Rogers, a Professional Engineer testified on behalf of the applicant. He indicated there is approximately 417 feet of frontage on Evesham Road and the property is approximately 5.75 acres. There is an existing home that was built in 1743 and also a bar. Lot 12 consists of the existing home of 3136 sq. ft. and they are proposing an addition of 7910 ft. for a total of 11,046 ft. and the existing bar is 10,080 sq. ft. and an additional 2400 sq. ft. would make it 3400 80 sq. ft. and a total sq. footage for both of 14,526.

Admitted into evidence was (A1) a description of the site (A2) a minor subdivision. Mr. Rogers went on to explain ingress and egress, parking, fencing, trash and storm water. He indicated there are 100 parking spaces on site and they are 9 X 18'. As to traffic he indicated 17 homes could be built and would have a trip count of 174 trips whereas the catering facility would have trip count of 200 which in his opinion was minimal. Mr. Rogers reviewed Ken Lechner's letter of March 16, 2015 and agrees with the comments therein as well as Churchill Engineering's letter dated 5-23 and agrees with the conditions therein.

Addison Bradley, a Landscape Architect testified on behalf of the applicant. He indicated there is presently a rose garden, arbor trees and statues with water fountains. The site has a historic setting and would be a gem for Gloucester Township.
Tiffany Cuvello, a Professional Planner, testified on behalf of the applicant. Ms. Cuvello stated that the purposes of zoning would be advanced in that this would be maintaining open space, it would be preventing 17 homes from being built. She also indicated that school and churches would be permitted in this zone as well as Assisted Living. She indicated the proposed use would only be 5.7% of building coverage where 30% is allowed and the proposed use would be 30% of lot coverage instead of the allowed 75%.

As far as the purposes of zoning, she indicated the site is particularly suited, that is an oversized lot for an R3 Zone, that there are preservation of the trees, there would be adequate light and a large open space. She went on to say that the visual environment would be enhanced, it would be conserving a historical site and it would prevent urban sprawl. She was also of the opinion there would be no negative impact and it would not be adverse to the master plan. As a condition of approval the applicant agreed that there would be no outdoor speakers, there would be no catering activity after 11:00 PM, they agreed to work with Magnolia regarding special events, traffic and also agreed that there would be no spot lights.

5. Eleven people spoke in opposition to the project. Among their concerns were noise, traffic and they wanted to keep the area residential. Two people spoke in support of the application.

UPON MOTION duly made and seconded to grant the applicant a variance for a Catering business in a residential Zone, a Bulk Variance for the buffer requirement and minor sub division, the Board voted seven (7) in favor, zero (0) against and zero (0) abstentions, thus granting the relief requested; and
WHEREAS, the Board has determined that the relief requested by the applicant may be granted without substantial detriment to the public good and otherwise without impairing the intent and purpose of the Zoning Plan and Ordinances of the Township of Gloucester because the project would preserve open space, would preserve the historic nature of the property, the traffic would be minimal, the noise would be controlled, as well as the 70 some trees that would be preserved.

WHEREAS, the statutory purposes will be advanced by the granting of the relief requested;

NOW THEREFORE BE IT RESOLVED, by the Zoning Board of Adjustment of the Township of Gloucester on this 8th Day of May, 2015 that the applicant, 1743 FARMHOUSE LLC, is hereby granted the aforesaid Use variance, Bulk Variance and minor subdivision for the property located upon, Block 3306, Lot 11 & 12 as shown on the Official Tax Map of the Township of Gloucester, consistent with the testimony, application and exhibits, same of which are incorporated herein and made a part hereof.

III. **APPLICATION SUBMISSION CHECKLIST**

The application has been reviewed for completeness in accordance with the Township of Gloucester Land Development Ordinance §817, Submission Checklist for preliminary and final major site plan requirements.

The Applicant has provided the checklist requirements or requested a waiver.

IV. **WAIVER COMMENTS**

The Applicant requests a waiver from the following required checklist items for subdivision and variance applications.

1. Four (4) copies of the Traffic Impact Report (see §815) [Checklist #7].
   a. The Applicant provided a Traffic Assessment, as prepared by Consulting Engineers Services dated February 2017 in lieu of a complete Traffic Impact Statement.

The Applicant requests the following waivers from Article V, Performance and Design Standards:

2. To provide parking between the front building line and street line in a residential district where the location is not allowed as per §510.F(3).

3. To provide a 6" thick dense grade aggregate gravel surface for twelve (12) parking spaces where a minimum 1.5" bituminous concrete surface course, Mix I-3 is required as per §510.H(3).

V. **VARIANCE COMMENTS**

The instant application requires the following variances:

**§403.F, Area, Yard, Height and Building Coverage**

1. Side yard (Barn): (25 ft. provided v. 30 ft. minimum required).
§426.V, Signs Permitted in the R3 District
Free-Standing Signs
2. Number: (2 provided v. 1 maximum allowed).
3. Area: (45 sf provided v. 10 sf maximum allowed).
4. Setback: (3 ft. provided v. 10 ft. minimum required).

The following variances are approved by Zoning Board of Adjustment Resolution #152005DCM adopted May 13, 2015.

§405.B, Permitted Uses – R-3, Residential District
5. A "mixed use residential catering/wedding facility" is not listed as a permitted use in the R-3 - Residential District.

§507.B(3), Buffering
6. Buffer: (0 ft. provided v. 25 ft. minimum required).
   a. It appears the applicant is requesting a variance from the requirement to provide a buffer of the proposed mixed use residential catering/wedding facility from the proposed residential Lot 11.

VI. MAJOR SITE PLAN REVIEW COMMENTS
1. The plans shall be revised to provide landscaping along the base of the proposed monument signs as per §426.R(8).
2. The plans shall be revised to provide street shade trees as forty (40) feet on center as per §507.D(4).
3. The Applicant shall provide testimony to address the proposed 250 seating and associated parking as per §510.A, Off-Street Parking.
   a. The Applicant should provide testimony to address potential seating for the following other areas identified in the application:

1 SITE DESCRIPTION ................................................................. 1
2 EXISTING CONDITIONS ............................................................ 1
3 PROPOSED DEVELOPMENT ....................................................... 1
4 SITE OPERATION ................................................................. 1
1 SITE DESCRIPTION
Consulting Engineer Services (CES) has prepared this Project Narrative for Founders Grove development, a proposed wedding/catering development located on Plate 33, Block 3306, Lots 11 and 12 on the official Tax Map of the Township of Gloucester, Camden County, New Jersey (hereinafter the “Site”). The approximate 5.734 acre site consists of two (2) contiguous lots and is located within the Township’s R-3 Residential Zone. The proposed Site has frontage along Evesham Road (Camden County Route 544).

2 EXISTING CONDITIONS
The site currently has a residential house and barn which will remain after the development is completed. Wetlands are present on the site, located along the southern boundary of the property. Surrounding land use consists primarily of residential uses.

3 PROPOSED DEVELOPMENT
Major Site plan approval is being sought by 1743 Farmhouse, LLC to develop the Site into a wedding/banquet facility. The proposed improvements will total 14,526 square feet. The main building addition will be 8,913 square feet and the existing residence to remain is 3,136 square feet. The existing barn is 1,321 square feet and a 1,156 square foot barn addition is proposed. The developed Site will have direct access to Evesham Road. Parking, sidewalks, and associated lighting and landscaping will be provided within the Site. Proposed layout of the site is in general accord with the use variance plan approved by the Gloucester Township Zoning Board.

Stormwater runoff generated from the proposed improvements will be conveyed via overland flow and underground stormwater piping to proposed stormwater management basin. The proposed stormwater conveyance and management facilities will be in conformance with Township requirements.

4 SITE OPERATION
The facility is proposed to be utilized as a catering venue, hosting indoor and outdoor weddings and other similar events. It is also proposed to maintain one (1) residential dwelling within the existing house.
Based on information provided by the applicant, the majority of events are expected to be held on weekends, and some events may occur on weekday evenings. The catering facility is expected to accommodate a maximum of 250 seats, with up to 30 employees to service the largest events.

The proposed facility is anticipated to receive deliveries by single container box truck (such as a UPS delivery truck). The deliveries are anticipated to occur as required and will generally occur during normal business hours.

Trash pickup will be provided by a private company and will occur once weekly. A trash/recyclable enclosure for waste disposal is proposed at the side of the building.
