Meeting Adjourned
A RESOLUTION OF THE GLOUCESTER TOWNSHIP PLANNING BOARD
MEMORIALIZING APPROVAL OF SITE PLAN WAIVER FOR WAWA, INC.
APPLICATION NO.: 171056SPW

WHEREAS, on November 14, 2017, consideration was given to the application of Wawa, Inc. (hereinafter "Applicant") for the property located at 1301 Little Gloucester Rd, identified on the Tax Map for the Township of Gloucester as Block 13102, Lot 2 (hereinafter the “Property”), seeking a Site Plan Waiver for proposed site improvements that include sidewalk repairs and sloping adjustments, new ADA-compliant striping and signage, and other site improvements; and

WHEREAS, the Applicant is seeking approval to bring the Property into ADA compliance by repairing cross-slopes and adjusting inconsistent elevation for the Property’s sidewalks; installing new signage for handicap parking signs; adding striping to certain crosswalks and tire air stalls; reinstalling van accessible signs at proper heights; and completing other site improvements to aid in accessibility; and

WHEREAS, Ms. Sarah R. Szymborski, Esq., of Prime Law appeared on behalf of the Applicant summarized the application, and Mr. Mathew Sharo, PE was sworn and qualified as the Applicant’s Engineering expert; and

WHEREAS, the Applicant submitted Exhibit A-1: a Demolition & Site Plan dated 5/4/2017; and

WHEREAS, referencing Exhibit A-1, Mr. Sharo described the location of the Property and the proposed ADA changes and improvements, noting that the Applicant was updating all of its existing sites and retail convenience stores to be ADA-compliant; and

WHEREAS, Mr. Sharo further described the Property improvements, noting that they include: the repair of cross-slopes and adjustment of sidewalk elevation; the installation of new handicap parking signs; the addition of striping to certain crosswalks and tire air stalls; the reinstalling of van accessible signs at proper heights; and the completion of additional site improvements to aid in ADA-accessibility for the Applicant’s customers; and

WHEREAS, based upon the testimony provided, and the requests of the Board and its professionals, the Applicant agreed to comply with the conditions of approval outlined within the Board Planner’s and Board Engineer’s letters; and

WHEREAS, the meeting was open to the public, and no members of the public appeared to testify; and

WHEREAS, the Planning Board having received reports from professionals and other advisors to the Board including, without limitation, the Zoning Officer, Board Engineer, Board Planner, County Planning Board, Traffic Commander, Fire Marshall, Tax Assessor, Water Department and Municipal Utilities Authorities and having heard testimony from the Board Planner and Board Engineer, makes the following factual findings in addition to those contained
in the preceding "WHEREAS" paragraphs, which are incorporated by reference herein as further findings of fact in approving the requested site plan waiver:

1. The Applicant is the owner of the Property, located at 1301 Little Gloucester Rd, and identified on the Tax Map for the Township of Gloucester as Block 13102, Lot 2.

2. The Property is located in the Highway Commercial (HC) Zoning District. The Property contains an existing one (1) story masonry Wawa convenience store, fuel pumps, and associated site improvements.

3. Public notice of the hearing was provided in accordance with the requirements of the Municipal Land Use Law, N.J.S.A. 40A:55D-12.

4. The application implicates the following provisions of the Land Development Ordinance: §801.A(3).

5. The Board Planner, Kenneth D. Lechner, PP, AICP, issued a report dated October 25, 2017, incorporated by reference as if set forth fully herein, recommending certain revisions, clarification and/or modifications to the plans with which the applicant agreed to comply unless otherwise outlined or modified further herein, or to the extent that they had not been addressed through testimony.

6. The Board Engineer, Steven M. Bach, PE, RA, PP, CME of Bach Associates, PC, issued a report dated November 13, 2017, incorporated by reference as if set forth fully herein, indicating the need for several revisions, clarifications and/or modifications to the plan to which the applicant agreed to comply unless otherwise outlined or modified further herein, or to the extent that they had not been addressed through testimony.

**NOW, THEREFORE BE IT RESOLVED**, after considering the foregoing facts the Board concludes that the Application for Site Plan Waiver has demonstrated that the proposed development, improvements, or alteration of the Property does not affect the existing condition of the Property or premises and the proposed improvements will not have a deleterious effect upon the neighborhood, and has satisfied the standards necessary for approval and should therefore be approved subject to the conditions above; and

**WHEREAS**, a motion was duly made by Mr. Dintino and duly seconded by Ms. Washington to APPROVE the Application as set forth above, and a roll call vote on the motion was recorded as follows:

SCOTT OWENS, CHAIRMAN

CERTIFICATION

I HEREBY CERTIFY that this resolution of memorialization being adopted by action of the Board on this 28th day of November 2017 represents a true and correct copy of a resolution adopted by the Gloucester Township Planning Board consistent with its decision at a meeting held on the 14th day of November 2017.

KENNETH LECHNER, SECRETARY
A RESOLUTION OF THE GLOUCESTER TOWNSHIP PLANNING BOARD
MEMORIALIZING MINOR SUBDIVISION AND
PRELIMINARY AND FINAL MAJOR SITE PLAN APPROVAL
FOR SENIOR HOUSING DEVELOPMENT, LLC
APPLICATION NO.: 171033RDAMPF

WHEREAS, on November 14, 2017, consideration was given to the application of Senior Housing Development, LLC (hereinafter the “Applicant”) for the property located at 2 Independence Blvd., identified on the Tax Map for the Township of Gloucester as Block 18319, Lot 1 (hereinafter the “Property”), for Minor Subdivision and Preliminary and Final Major Site Plan approval with design waivers; and

WHEREAS, the Applicant is seeking minor subdivision approval to subdivide the Property, consisting of approximately 13.45 acres, into two (2) new lots known as Lot 1 (4.001 acres) and Lot 2 (9.4525 acres); and

WHEREAS, the Applicant is further seeking preliminary and final major site plan approval to construct a two (2)-story 58,000 SF assisted living facility to be known as “All American Assisted Living” and associated site improvements; and

WHEREAS, Mr. John D. Wade, Esq., of Wade, Long, Wood & Long, LLC appeared on behalf of the Applicant and presented the application; James Medoni, PE and Blake Fitzgerald, PE were sworn in as the Applicant’s Engineers, and Mr. Medoni was qualified as the Applicant’s engineering expert; and Steven Humphreys was sworn in as the Applicant’s Architect; and

WHEREAS, Mr. Ben Wells, on behalf of Kaplan Development Group, the Applicant’s parent company, was sworn in and provided testimony in favor of the Application;

WHEREAS, the Applicant submitted Exhibit A-1: Minor Subdivision Plan; Exhibit A-2: Site Plan Documents; and Exhibit A-3: Architectural Plans and Rendering; and

WHEREAS, Mr. Wells testified as to the background and history of the Applicant and the Applicant’s parent company, and further testified that the Applicant proposes a two (2)-story assisted living facility consisting of 58 two-bedroom units (45 assisted living, 13 memory care units), 112 beds; and

WHEREAS, upon query by the Board Engineer, Mr. Wells clarified that approximately 11–12 (10%) beds would be set aside as affordable; and Mr. Wells further agreed to provide information about the Property’s affordable set aside to the Board Planner in a timely fashion in order to assist the Township in meeting its affordable housing obligation; and

WHEREAS, referencing Exhibits A-1 and A-2, Mr. Medoni explained the nature, purpose, location, and description of the proposed Minor Subdivision, site improvements, and request for Preliminary and Final Major Site Plan Approval; and
WHEREAS, referencing Exhibits A-1 and A-2, Mr. Medoni further testified that the Property would contain: sixty (60) parking spaces, meeting ADA requirements; a proposed access drive to the rear of the Property; recreational activity areas; and sidewalk areas that surround the facility; and

WHEREAS, Mr. Wells provided additional testimony as to the amount of vehicles expected to be on the Property at any given time, noting that most of the residents at the facility do not own vehicles; and

WHEREAS, referencing Exhibits A-1 and A-2, Mr. Medoni provided further testimony regarding the Property’s topography; water filtration basins; impervious coverage; utilities; storm water inlets and piping; and access to existing sanitary sewer and water; and

WHEREAS, upon query by the Board Engineer, Mr. Wade clarified the Applicant’s considerations and proposed solution for allowing the discharge and flow of water from one newly subdivided lot onto the adjoining lot so that it will be recognized and not impact future development; and Mr. Wade further agreed that the Applicant would present its proposed solution to the Board Planner and Board Engineer for evaluation, review, and approval; and

WHEREAS, referencing Exhibit A-3, Mr. Humphreys testified as to the appearance, footprint, layout, and design of the proposed assisted living facility, as well as the construction materials that will be used for the facility; and

WHEREAS, the Applicant’s professionals agreed to send high-resolution electronic copies of the plans to the Board’s professionals for further review; and

WHEREAS, the Applicant previously appeared before the Township’s Redevelopment Entity and Township Committee, and subsequently entered into a redevelopment agreement with the Township Committee;

WHEREAS, the meeting was open to the public, and no members of the public appeared to testify; and

WHEREAS, the Planning Board having received reports from professionals and other advisors to the Board including, without limitation, the Zoning Officer, Board Engineer, Board Planner, County Planning Board, Traffic Commander, Fire Marshall, Tax Assessor, Water Department and Municipal Utilities Authorities and having heard testimony from the Board Planner and Board Engineer, makes the following factual findings in addition to those contained in the preceding “WHEREAS” paragraphs, which are incorporated by reference herein as further findings of fact in approving the requested minor subdivision and preliminary and final major site plan with design waivers:

1. The Applicant is Senior Housing Development, LLC. The owner of the Property is Lakeside Business Park. The Property is located at 2 Independence Blvd., and identified on the Township of Gloucester Tax Map as Block 18319, Lot 1.
2. The Property is located in the NVBP (New Vision Business Park Redevelopment) Zoning District.

3. Public notice of the hearing was provided in accordance with the requirements of the Municipal Land Use Law, N.J.S.A. 40A:55D-12.

4. Intended Use: minor subdivision of a single lot into two (2) new lots and preliminary and final major site plan approval to construct a two (2) story 58,000 SF assisted living facility to be known as "All American Assisted Living" and associated site improvements; and

5. The typical bulk and setback variances are not part of applications within the New Vision Redevelopment District. Applicants must comply with the goals and objectives of the redevelopment plan regarding land uses and architectural considerations to the satisfaction of the Planning Board, and its professionals, which were also previously considered and reviewed by the Township’s Redevelopment Entity and Township Committee.

6. The Board Planner, Kenneth D. Lechner, PP, AICP, issued a report dated November 8, 2017, incorporated by reference as if set forth fully herein, recommending certain revisions, clarification and/or modifications to the plans with which the applicant agreed to comply unless otherwise outlined or modified further below, or to the extent that they had not been addressed through testimony or granted a waiver.

7. The Board Engineer, Steven M. Bach, PE, RA, PP, CME of Bach Associates, PC, issued a report dated November 8, 2017, incorporated by reference as if set forth fully herein, indicating the need for several revisions, clarifications and/or modifications to the plan to which the applicant agreed, to the extent they had not been addressed through testimony or granted a waiver.

8. The Applicant agrees to present its proposed solution for handling the spillway discharge of the newly subdivided lot onto the adjoining subdivided lot to the Board Engineer and Planner for evaluation, review, and approval.

9. The Applicant agrees to revisit, revise, and update its prior Environmental Report and Traffic Impact Statement and to provide these Reports to the Board’s Professionals.

NOW, THEREFORE BE IT RESOLVED, after considering the foregoing facts the Board concludes that the Application for Minor Subdivision and Preliminary and Final Major Site Plan Approval with design waivers has demonstrated that the proposed improvements will not have a deleterious effect upon the neighborhood, and has satisfied the standards necessary for approval and should therefore be approved subject to the conditions above; and
WHEREAS, a motion was duly made by Ms. Washington and duly seconded by Mr. Dintino to APPROVE the Application as set forth above, and a roll call vote on the motion was recorded as follows:

RE: Sahaj Hospitality LLC
2000 Black Horse Pike, Gloucester, New Jersey, Block 2601, Lots 5, 6 and 7

Dear Lydia:

We represent the applicant, Sahaj Hospitality LLC, owner of property located at 2000 Black Horse Pike and designated as block 2601, lots 5, 6 and 7 on the municipal tax map. Our office filed a Planning Board application for preliminary and final major site plan approval to construct a four-story 11,976 sf Holiday Inn Express & Suites hotel with 73 rooms on the property. We are in receipt of your letter, dated October 4, 2017, in which you forwarded a transmittal from the Tax Assessor’s Office that requests a deed consolidation of lots 5, 6 and 7.

We agree to a condition of approval that the lots must be consolidated. Please advise as to the completeness of the application and place this matter on the next available Planning Board agenda.

Thank you.

Very truly yours,
DEL DUCA LEWIS, LLC

Proposed Holiday Inn Express & Suites
Summary of Application
Gloucester Township Zoning Board
Sahaj Hospitality, LLC
Block 2601, Lots 5, 6 and 7
2000 Black Horse Pike

The applicant, Sahaj Hospitality, LLC, is the owner of real property located at 2000 Black Horse Pike at the intersection of Black Horse Pike and Lower Landing Road. It is the former Black Horse Pike Motel site. The property contains approximately 4.8 acres and is currently vacant.

The property is located in the NC – Neighborhood Commercial underlying zoning district and the Glen Oaks Redevelopment Overlay District and is subject to the requirements of the Glen Oaks Redevelopment Plan. The applicant entered into a Redevelopment Agreement with Gloucester Township on September 12, 2017 in which the applicant is designated the Redeveloper of this property. The Redevelopment Agreement is included with this application. Hotels are a permitted use under the Glen Oaks Redevelopment Plan.

The applicant seeks preliminary and final major site plan approval to construct a four-story 11, 976 sf Holiday Inn Express & Suites hotel with 73 rooms on the property. The applicant may also seek a future expansion on the east end of the hotel to include an additional 16 rooms as shown on the plans.

The applicant’s proposed use will satisfy several objectives of the Glen Oaks Redevelopment Plan, including, but not limited to, promoting the overall development of the community, fostering development that will be most conducive to the social and economic improvement of the Township and region, and facilitating full utilization of the land. The proposed Holiday Inn Express & Suites hotel will benefit the community and complement the existing development along Black Horse Pike.

The applicant also seeks any variances, waivers and other approvals that may be required.

II. REDEVELOPMENT PLAN COMMENTS

The following applies to the Glen Oaks Redevelopment Plan Goals and Objectives as noted.

Section IV. Objectives

1. The Applicant should provide testimony to the satisfaction of the Planning Board on how the proposed redevelopment project addresses the following objectives of the Glen Oaks Redevelopment Plan:

   A. Prevent further deterioration of the built environment.
   B. Promote the overall development of the community.
   C. Foster physical development that will be most conducive to the social and economic improvement of the Township and the region.
   D. Encourage the highest and best use of land and property.
   E. Facilitate full utilization of the land.
   F. Improve the physical and functional layout of the study area and remove impediments to land use consistent with the zone plan.
   G. Require adherence to the highest design standards.
   H. Strengthen social, economic and development patterns.
   I. Increase economic opportunities in the Township of Gloucester.
   J. Improve the health and welfare of the residents of the Township
   K. Advance public-private partnership efforts for the improvement of the economic environment.

Section IX.E, Zone Plan and Zoning Regulations

2. The subject property is located within the GOR – Glen Oaks Redevelopment Overlay District as per §IX.E.

   a. Hotels are a permitted use as part of a “Planned Commercial Development” as defined by the Municipal Land Use Law (See Section II.3) as per the Glen Oaks Redevelopment Overlay District [§IX.E(4)(c)] and may also include the following uses.

   General Office Uses

   i. Administrative offices.
   ii. General and professional offices.
   iii. Banks and financial offices.
Commercial Uses
i. Retail sales and services.
ii. Personal sales and services.
iii. Restaurants and other eating establishments.
iv. Indoor and outdoor recreation and indoor health and fitness centers; and,
v. Car rental facilities.
vi. Banquet facilities.
vii. Night clubs within a hotel only.

Land Development History
b. The instant application is a component of the Glen Oaks Redevelopment Plan, which was originally established by Ordinance O-97-17 adopted 6/09/97; and,
c. Subsequently, Amendment #1 added several additional parcels along Lower Land Road including the subject property by Ordinance O-01-14 adopted May 14, 2001, thence,

3. Planned Commercial Development is defined by the Municipal Land Use Law, as follows:
a. "means an area of a minimum contiguous or noncontiguous size as specified by ordinance to be developed according to a plan as a single entity containing one or more structures with appurtenant common areas to accommodate commercial or office uses or both and any residential and other uses incidental to the predominant use as may be permitted by ordinance."

4. The Planning Board should note the GOR – Glen Oaks Redevelopment Overlay District of the Glen Oaks Redevelopment Plan as recently amended by Ordinance O-17-01 adopted January 23, 2017 does not rely on traditional bulk and setback standards and the applicant was required to address their proposed layout as a condition of a Redevelopment Agreement.
a. The Applicant should provide testimony to the satisfaction of the Planning Board that the proposed lot size (area – frontage – depth), building setbacks, building and lot coverages are appropriate for the instant application; the layout is within recognized best management practices for site design for the proposed use; and, the overall development is substantially consistent with the objectives of the Glen Oaks Redevelopment Plan.

Section IX.E(1.0)(K), Off-Street Loading and Parking Standards
5. The Applicant shall provide professional testimony to satisfaction of the Planning Board addressing off-street loading and the adequacy of the proposed number of parking spaces to meet the expected demand of the commercial development as per §IX.1.0(K), Off-Street Loading and Parking Standards.
a. The Planning Board is advised the Glen Oaks Redevelopment Plan does not rely on the Land Development Ordinance parking requirements and defers compliance to professional testimony of the applicant based on their expertise, professionals, and recognized design considerations current to the time period and land uses.
i. The Planning Board should note the Gloucester Township Land Development Ordinance would require at least 73
parking spaces (1 space/room); the instant application provides 104 parking spaces.

Section IX. E(1.0)(L), Additional Requirements

6. The instant application proposes public water and sanitary sewerage facilities to be provided as per §IX.E(1.0)(L)(1).

7. The Applicant provided the Redevelopment Entity the proposed building architecture is "compatibly designed ... and suitably finished for aesthetic purposes" in its relation to elevations facing Lower Land Road, the Black Horse Pike, and adjacent residences as per E(1.0)(L)(2).
   a. The instant application proposes an outdoor patio area.
   i. The Applicant shall provide testimony to the Planning Board regarding the proposed accessory use including considerations of lighting, landscaping, outdoor music, speakers, noise, safety, etc.
      1. There are at least three (3) residences adjacent to the west of the subject property.

8. The applicant is advised the proposed site plan would require parking areas be screened and a landscape plan signed and sealed by a NJ Licensed Landscape Architect as per §IX.E(1.0)(L)(3).
   a. The submitted Landscaping Plan shall be signed and sealed by a NJ Licensed Landscape Architect.
   i. It's recommended the applicant address the following landscaping components to address the scenic viewseshed of this intersection.
      1. A dense evergreen buffer comprising a double row of staggered evergreens along the western boundary to screen residential uses.
      2. Provide one (1) additional Willow Oak (Quercus phellos) along the frontage of Lower Landing Road.
      3. Provide evergreen trees along the west and east side of the proposed trash enclosure.
      4. Provide a mixture of evergreen trees, ornamental trees, and shrubs between the concrete curb and retaining wall to buffer the proposed infiltration basin.
      5. Provide landscaping for the base of the proposed free-standing sign.
      6. The plan is revised to provide a planted streetscape along Lower Landing Road that includes a mixture of evergreen trees and shrubs, ornamental trees and grasses, and shade trees.
      7. The plan is revised to provide foundation plantings along the proposed building.
      8. The applicant should provide testimony to address the slope and aesthetic of the remaining woods line adjacent the Timber Creek to determine if landscaping needs to be planted to enhance the scenic views of the rear area of the property.
9. The Applicant should provide testimony that the proposed free-standing and facade signs are suitably sized and designed for the proposed development and consistent with Section IV, Objectives of the Glen Oaks Redevelopment Plan as per §IX.E(1.0)(L)(7).
   a. The instant application proposes a 19.33 sf (4'-0.5" x 6'-3.25") free-standing sign and a 128 sf facade sign, which includes an "H" logo and "Holiday Inn Express."
   b. It’s suggested consideration be given to providing any free-standing sign include the words "AT GLOUCESTER TOWNSHIP."
      i. Alternatively, a "Gloucester Township" monument sign at this controlled intersection may be more appropriate.

10. The plans shall be revised to provide new concrete sidewalks along the frontages of the Black Horse Pike and Lower Landing Road to improve pedestrian access as per §IX.E(1.0)(L)(8).

11. It’s recommended consideration be given for an off-tract improvement such as a bicycle lane and/or concrete curb and sidewalks to connect the redevelopment project to the proposed Gloucester Township Health & Fitness Trail, which is under development and only ±350-feet west of the property along the PSE & G Easement.
   a. This would provide a pedestrian and bicycle connection of the redevelopment project to downtown Glendora, Blackwood and the proposed "Electronic Bicycle Kiosk at the Caboose, and the Gloucester Premium Outlets.

12. The Applicant must provide professional testimony to the satisfaction of the Planning Board that the proposed lighting plan would be suitably designed for the proposed land use and provides adequate illumination as per §IX.E(1.0)(L)(9).

13. The Applicant a the Redevelopment entity that the proposed buildings are "architecturally appealing" and advance the scenic vistas and viewsheds of the development and Township as per §IX.E(1.0)(L)(10).

PROJECT SUMMARY:

This application is for the construction of a four (4) story, 11,976 SF hotel with 73 rooms and associated site improvements on an existing 4.8 acre parcel of land. The project site is located on the northwesterly corner of Lower Landing Road (County Route 681) and Black Horse Pike (NJSH Route 168) in the Township's Neighborhood Commercial (NC) Zoning District and the Glen Oaks Redevelopment Overlay District. The lot is currently vacant and was previously the Black Horse Motel site. The applicant is seeking Preliminary and Final Major Site Plan with Bulk Variances and Land Development Checklist Waivers.

COMPLETENESS / WAIVERS:

The applicant is requesting waivers from the following Land Development Ordinance Submission Checklist items:

3. Checklist Item #9 – Calculated and delineated area of wetlands established by the NJDEP. Waiver recommended for completeness only.
4. Checklist Item #33 – Names, addresses, block and lot numbers of all property owners within 200 feet of the tract. **Waiver recommended for completeness only.**

5. Checklist Item #40 – A written description of the proposed use(s) and operation(s) of the building(s), i.e., the number of employees or users of on-residential buildings, the proposed number of shifts to be worked, the maximum number of employees on each shift, expected truck and tractor trailer traffic, emission of noise, glare, radiation, heat, odor safety hazards, air and water pollution. **Waiver recommended for completeness only.**

6. Checklist Item #62 – When a running stream is proposed for alterations, improvements or relocation, or when a structure of fill is proposed over, under, in or alongside a running stream, evidence of result of pre-application with the NJ Department of Water Resources or such agency having jurisdiction shall accompany the application. **Waiver recommended for completeness only.**

7. Checklist Item #63 – The total upstream acreage in the drainage basin of any water course running through or adjacent to the development including the distance and average slope upstream to the basin ridge line, where applicable. **Waiver recommended for completeness only.**

8. Checklist Item #64 – The total acreage in the drainage basin to the nearest downstream drainage structure and the acreage of that portion of the development which drains to the structure, including the distance and average slope downstream to the structure and final disposition of the surface waters. **Waiver recommended.**

9. Checklist Item #65 – For all existing or proposed lakes or ponds on or within 500 feet of the development, show the location of water level elevations. **Waiver recommended for completeness only.**

The above items must be provided or waivers granted prior to the application being deemed “Complete”.

**GENERAL:**

1. Architectural floor plans shall be provided for the proposed building.

2. A certified list of property owners shall be shown on the plans.

3. It shall be noted that Lower Landing Road is a County road and the applicant is responsible for restoring the roadway in accordance with County standards.

4. All existing and proposed deed restrictions, covenants and easements shall be shown on the Plans.
PERFORMANCE STANDARDS (ARTICLE V):

A. Grading (Section 506)

1. Two permanent benchmarks and symbol in the legend shall be shown on the grading plan per §506.A(4).

2. Top and bottom of curb elevations shall be shown at all pc's and pt's.

3. Additional top and bottom of wall elevations shall be provided along the proposed retaining wall located in the rear of the property.

4. Additional spot elevations shall be provided on the concrete pad at the main entrance to ensure positive drainage is provided across the entire pad.

5. The proposed parking area does not conform to the minimum paving grade of 1% as required per § 506 (A).1. The ordinance permits paving grades along curb gutter lines to be reduced to 0.5% when concrete gutter is utilized. Upon review, many areas of the site are well below the 0.5% at gutter lines and along curb lines adjacent to storm inlets. The plans shall be revised accordingly.

6. The grading shall be revised to provide a positive drainage flow away from the proposed building. In several locations the building corner is lower than the adjacent sidewalk and will result in ponding against the building.

7. A spot elevation shall be provided where the concrete pad meets the bituminous paving in the location of the trash enclosure.

8. A low point is proposed in the parking area adjacent to the southwesterly building corner. The grading shall be revised to provide positive drainage flow away from the curb.

9. All existing and proposed contours shall have an elevation label.

10. The storm inlet numbers and grate elevations shall appear on the Grading Plan.

11. The following note must be provided on the Grading Plan, “If topsoil is to be removed from the site, permission must be granted by the Township Engineer”.

12. The applicant is proposing lawn grades of less than 2% whereas the ordinance requirement per §506-A is 2.0%.
13. The applicant is proposing to change existing grades within five (5) feet of a property line whereas the ordinance requirement per §506-A is that existing grades shall not be changed within five (5) feet of the boundary with an adjacent property.

14. The applicant is proposing to construct storm inlet grates at the normal gutter grade of the pavement whereas the ordinance requirement per §517-D is to provide a 2" sump below the normal gutter grade.

15. The applicant is proposing to construct a storm inlet along a radius whereas the ordinance prohibits per §517-D the construction of an inlet along a radius.

16. The following note must be provided in the set of plans, “Any soil brought onto the site must be certified clean soil and written certification must be provided to the Township Engineer. The certified clean soil must be approved by the Township Engineer”.

B. Landscaping and Buffering (Section 507) and Lighting (Section 508)

1. A note should be added to the Landscape plan indicating that excess topsoil shall not be used as fill or removed as spoil. Existing topsoil shall be redistributed and reused onsite to the greatest extent possible.

   1. All existing lights within 100 feet of the site shall be shown on the plans per §508.G(1).

   2. There appears to be insufficient lighting along the southwesterly side of the building. Our office recommends a minimum of 2.0 footcandles along sidewalk. Additional lighting shall be provided.

   3. In accordance with Section 508-F.4, light shields are required to maintain a maximum of 0.25 foot-candles at any property line or right-of-way. The applicant shall demonstrate that the proposed lights provide a downward throw with no visible glare.

   4. We defer additional review of the landscaping and lighting to the Township Planner.

C. Off Street Parking (Section 510)

1. It is the applicant’s responsibility to ensure that the site is in conformance with the American’s with Disabilities Act (ADA) Accessibility Guidelines.
2. The plan shall differentiate between the bituminous paving and the alternately shaded area at the front entrance. The shading does not match the concrete or bituminous paving and shall be defined.

3. The parking shown at the basin access entrance shall be removed and the area shall be striped as "no parking".

D. Sidewalks/Curbs (Section 516)

1. The plans shall indicate the width of all curbed islands.

E. Stormwater Management (Section 517)

1. The Stormwater Management Report shall be revised to include calculations and analysis confirming there are no flood damage concerns resulting from the flows from the two (2) and ten (10) year storm events.

2. The applicant shall perform a minimum of two (2) in-situ infiltration tests for the infiltration basin in accordance with the NJ Stormwater BMP Manual, Appendix E, last revised September 2009, to confirm infiltration capability for the basin. The Stormwater Management Report refers to a report by Acer Associates but it has not been provided. A test pit location map and soil boring profiles/logs shall be provided as well.

3. The stormwater calculations shall be revised to separate areas of directly connected impervious areas and pervious areas. Separate hydrographs shall be utilized and combined in accordance with the NJ Stormwater BMP Manual, Chapter 5, last revised February 2004.

4. Our office recommends a minimum of 2.5 feet per second cleansing velocity for all stormwater piping when flowing ¼ full.

5. The applicant shall confirm scouring velocity of HDPE pipe is not exceeded per manufacturer guidelines/limits. The pipe flow calculations indicate a maximum velocity of water flowing full at 12.08 ft/s for the pipe run between Node 15 and 16.

6. Routing calculations shall be provided for 100 year storm event passing through the emergency spillway. A minimum of one foot (1') of freeboard shall be provided over the peak flow elevation over the spillway in accordance with NJAC 5:21-7.8(d)(4)(6). The spillway for the proposed basin does not comply.
7. Downstream stability calculations shall be provided confirming the velocity of stormwater runoff down the embankment beyond the emergency spillway. Soil erosion measures such as erosion control matting or riprap may be required to minimize erosion of the embankment and steep slope areas.

8. The groundwater recharge spreadsheet (GSR-32) refers to a project known as Royal Farms. The applicant shall confirm that the calculations provided are for the Holiday Inn Express project.

9. The Stormwater Management Report refers to an email from Dhruv Patel of NJDEP confirming the design approach presented. This email shall be provided for review and concurrence by NJDEP for design methodology.

10. A groundwater mounding analysis shall be provided in accordance with NJAC 7:8-5.4(a)2.iv for the proposed infiltration basin.

11. A Basin Maintenance Plan prepared in accordance with Chapter 8, Maintenance and Retrofit of Stormwater Management Measures, and Chapter 9.5 Standard for Infiltration Basins, of the New Jersey Stormwater Best Management Practices Manual shall be provided. The basin maintenance notes shown on the General Notes Sheet, 2 of 19, shall be incorporated into the maintenance plan along with applicable log sheets. In accordance with Chapter 9.5 the maintenance plan shall indicate the approximate time it would normally take to drain the maximum design storm runoff volume below the bottom of the basin. This normal drain or drawdown time should then be used to evaluate each basin's actual performance. If significant increases or decreases in the normal drain time are observed, the basin's bottom surface, subsoil, and both groundwater and tailwater levels must be evaluated and appropriate measures taken to comply with the maximum drain time requirements and maintain the proper functioning of the basin. A log sheet shall be provided in the Basin Maintenance Plan for tracking dewatering times of each basin.

12. The applicant shall confirm if a general permit is required from NJDEP for the basin discharge. It is not clear if the discharge point is within a wetlands or wetlands buffer area on the project site.

13. The basin access road shall be revised to have a maximum slope of 5:1 to allow for maintenance vehicle access.

14. A note shall be added to the Plans stating the following: A minimum of two (2) post construction in-situ infiltration tests shall be performed at the infiltration basin in accordance with the NJ Stormwater BMP Manual, Appendix E, last revised September 2009, and results shall be submitted for review and acceptance by the Township Engineer.
15. Dimensions, slope information, and spot elevations shall be provided for the proposed basin.

16. The proposed basin raises the level water more than five feet (5') above the usual, mean, low water height when measured from the downstream toe of dam to the emergency spillway crest and appears to meet the criteria of a Class IV dam per NJDEP standards. A Class IV dam does not require application or filing with the NJDEP however the design of the spillway has to utilize a design storm 50 percent greater than a 24 hour, 100 year, Type III storm. The dam also has to meet all the technical requirements of the Dam Safety Standards. The applicant shall also confirm the clay core is sufficient to meet these regulations. Our office recommends the applicant request a clarification and/or determination from the Bureau of Dam Safety at NJDEP if the basin qualifies as a Class IV dam and what requirements are to be held per NJDEP standards.

17. Clarification shall be provided regarding Inlet #16 on the utility plan. The inlet is shown as a Type A with sump but the elevations do not appear to be correct. The soil erosion plan indicates a rip rap apron to be installed at the location of Inlet #16. The plans shall be revised accordingly and additional details shall be provided as necessary to illustrate the proposed improvements.

F. Utilities (Section 518)

1. Our office defers to Aqua New Jersey for review of water improvements. The applicant shall provide the Township with a letter confirming connection, supply, and capacity are available from Aqua New Jersey.

2. Our office defers to Gloucester Township Municipal Utilities Authority (GTMUA) for review of sanitary sewer improvements. Documentation confirming availability of sanitary sewer service for the project site shall be obtained from the GTMUA and submitted to the Township.

3. All electric, telephone, television and other communication service facilities, both main and service lines, shall be installed in accordance with the prevailing standards and practices of the utility or other companies providing such services and having jurisdiction. A note to this effect should be added to the plan.

G. Traffic Impact Analysis (Section 815)

1. The applicant has requested a waiver from the requirement of a Traffic Impact Analysis (TIA). Our office recommends that a TIA be provided for the proposed development.
H. Environmental Impact Statement (Section 816)

1. The applicant has requested a waiver from the requirement of an Environmental Impact Statement. Our office recommends that an Environmental Impact Statement be provided for the proposed development.

I. Details

1. All proposed traffic signs shall be noted “install per latest MUTCD requirements”.

2. All traffic markings and striping shall be thermoplastic or epoxy paint. The details shall be revised to confirm the type of paint to be used.

3. A detail shall be provided for the Basin Access Road.

OUTSIDE AGENCY APPROVALS:

This plan set may be subject to the review and approval of the following outside agencies. Evidence of these approvals must be submitted to the Township Planning Department and this office prior to the final signature of plans:

1. Camden County Planning Board
2. Gloucester Township Fire Marshal
3. Camden County Soil Conservation District
4. Gloucester Township Municipal Utilities Authority
5. Aqua NJ
6. Any other as may be necessary

When plans are resubmitted, they are to be accompanied with a point-by-point response. We reserve the right to make additional comments pending the receipt of revised plans.

If there are any questions or if any additional information is required please contact this office.

REDEVELOPMENT AGREEMENT
FOR
SAHAJ HOSPITALITY LLC
GLEN OAKS REDEVELOPMENT AREA
GLOUCESTER TOWNSHIP, NEW JERSEY

Redevelopment Entity: Township Council
Township of Gloucester

Redeveloper: Sahaj Hospitality LLC

Property: 2000 Black Horse Pike
Blackwood, New Jersey 08012
Block 2601 Lots 5,7 and 7

This Redevelopment Agreement is made on this 12th day of September, 2017,
by and between Sahaj Hospitality LLC located at 1397 Harrison Avenue, Wilmington,
Delaware 19809 (hereinafter called Redeveloper) and the Township Council of the
Township of Gloucester, P.O. Box 8, Chew Landing Road, Blackwood, New Jersey
08012 (hereinafter called Redevelopment Entity).

WHEREAS. Pursuant to the provision of the Redevelopment and Housing Law of the
State of New Jersey, N.J.S.A. 40A:12A-1 et. seq., the Township Council of the
Township of Gloucester did direct the Planning Board of the Township of
Gloucester to conduct a preliminary investigation to determine an area comprising
Block 2601 Lots 5,6, and 7 as a redevelopment area in accordance with the
Redevelopment and Housing Law of the State of New Jersey, and

WHEREAS. The Planning Board did conduct a preliminary investigation in
accordance with the guidelines set forth N.J.S.A.40A:12A-6, held public hearings,
and determined that the designated area is an area in need of redevelopment, and

WHEREAS. The Township Council of the Township of Gloucester did adopt the Glen
Oaks Redevelopment Area District of the Township of Gloucester by ordinance, and

WHEREAS. The Redeveloper is the property owner and proposes to redevelop the
property in the GOR - Glen Oaks Redevelopment Overlay District of the Glen Oaks
Redevelopment Plan with the following improvements:

A 11,976 sf Holiday Inn Express & Suites hotel with 73 rooms, and a possible
expansion for an additional 16 rooms.

WHEREAS. The Redevelopment and Housing Law authorizes the Township Council, as
the Redevelopment Entity to name a Redeveloper and to contract with a Redeveloper
for any area of planning, construction or the undertaking of any project within
the designated redevelopment area, and

WHEREAS. The redeveloper has agreed to redevelop the parcel within the GOR -
Glen Oaks Redevelopment Overlay District as described above following approval
and time restraints imposed by and represented to the Planning Board of the
Township of Gloucester.
NOW THEREFORE, in consideration of their mutual promises and benefits derived, and in furtherance of the CDR - Glen Oaks Redevelopment Overlay District and the Redevelopment and Housing Law, the parties agree as follows:

The Township Council of the Township of Gloucester, as Redevelopment Entity, does hereby name Sahaj Hospitality LLC as Redeveloper of the property above described.

The following Exhibits are attached to this agreement and made a part hereof:

Exhibit "A" - Proposed Land Development Application dated February 13th 2017 and presented to the Redevelopment Entity at meeting held on March 13th 2017, and to be presented to the Gloucester Township Planning Board for review and approval.
Exhibit "B" - Artist Rendering of proposed site
Exhibit "C" - Concept Redevelopment Plan as prepared by The Petit Group LLC, presented to the Redevelopment Entity at meeting held on March 13th 2017, and to be presented to the Gloucester Township Planning Board for review and approval.
Exhibit "D" - Review letter submitted by Kenneth D. Lechner, PP, AICP, Director/Planner, Gloucester Township Department of Community Development & Planning.

AGREEMENT, COVENANTS, OBLIGATIONS AND RESTRICTIONS.

a. Title. Redeveloper represents that the Redeveloper is the owner of fee title to property described and known as, Block 2601 Lot 5, 6, and 7, and known as 2000 Black Horse Pike, Blackwood, New Jersey 08012.

b. Project Site. The Redevelopment Project Improvement site shall consist of the real property, surface, subsurface and airspace, as more particularly described in the Exhibits attached hereto.

c. Improvement. The improvement and use shall be in accordance with the Redevelopment Plan and according to agreement with the Redevelopment Entity, and with approval presented to and or granted by the Planning Board of the Township of Gloucester as memorialized.

d. Use of Contractors. The Redeveloper will use its best judgment to engage reputable contractors to construct and complete the improvement and uses. Each contractor that is required to have a license in the State of New Jersey must have a current, valid license issued by the State of New Jersey. Further, the Redeveloper and each contractor must have liability insurance in full force and effect in the amounts that are standard in the particular industry.

e. Time of the Project. The Redeveloper shall identify the manner of intended development, as to which phase the Redeveloper shall first commence construction of improvement. The project improvement shall commence within 45 days following the issuance of necessary permits by the appropriate governmental agency and shall be completed within 12 months of the Redeveloper’s receipt of “Final site plan” approval by the Planning Board of the Township of Gloucester.

The Redevelopment Entity may grant extensions of this time period in the event that the Redeveloper is delayed by reason of significant factors beyond his control. Notwithstanding any extensions of time that may be
granted in the sole discretion of the Redevelopment Entity, in the event that the redevelopment improvement project is not completed within 18 months of the commencement date, the Redevelopment Entity shall have the sole discretion to declare the Redeveloper in default of this agreement, and seek a forfeiture of all security placed by the Redeveloper.

f. **Scope of undertaking.** The services and responsibilities undertaken by the Redeveloper hereunder shall include all aspects of the design, development, construction and operation of the redevelopment project improvement, and each of the components thereof, including, without limitation, all design, engineering, permitting and administrative aspects, the performance of or contracting for and administration and supervision of all physical work required in connection with the redevelopment project improvement and each component thereof. The Redeveloper shall make all arrangements for interim and final inspections and any other actions required to satisfy the requirements of any applicable permit and or approval.

The administration, operation and management of the redevelopment improvement project and all aspects of the funding of the redevelopment improvement project, including equity, funding and construction, interim and permanent financing, shall be at the sole cost and liability of the Redeveloper.

g. **Compliance with Law.** All construction shall be in accordance with the Uniform Construction Code of the State of New Jersey. N.J.A.C. 5:23-1 et.seq. The Redevelopment Improvement Project, and work performed and materials, fixtures and equipment used in connection therewith shall be in full compliance with all laws of the State of New Jersey.

h. **Environmental Remediation.** The Redeveloper shall be responsible for any and all environmental remediation necessary to the redevelopment improvement project, if any. The Redeveloper shall be responsible to obtain all necessary environmental permits, if any, including the receipt of letters of "No Further Action" from the New Jersey Department of Environmental Protection.

i. **Permits and Approvals.** The Redeveloper shall pursue diligently all permits and approvals necessary to complete the redevelopment improvement project within the time required and outlined in Exhibits.

j. **Performance Security.** If required as part of Planning board approval, the Redeveloper shall provide the Township of Gloucester with third-party financial security from a qualified security provider, licensed to conduct business in the State of New Jersey, securing the specific obligations of the Redeveloper with respect to the Redevelopment Improvement Project, and any component thereof, through completion. The Performance Security shall be that as is required pursuant to the Municipal Land Use Law of the State of New Jersey, and the Gloucester Township Planning Board approvals.

k. **Certificate of Completion.** The Project shall be deemed to be complete and the Township of Gloucester shall issue a certificate of completion at such time as the Redeveloper has performed all aspects of the Redevelopment Improvement Project as described by this Redevelopment Agreement and as approved by the Planning Board of the Township of Gloucester. The issuance of a certificate of completion shall constitute a conclusive determination that the Redevelopment Improvement Project has been completed in accordance with the provisions of this
Redevelopment agreement. The certificate of completion is to be issued by the Township of Gloucester and in proper form for recording in the County Clerk’s Office for the County of Camden. Said recording shall serve as acknowledgment that the Redevelopment Improvement Project has been satisfactorily completed, that the Redeveloper has performed all of its duties and obligation under this agreement, and shall authorize and serve as consent by the Township of Gloucester, Redevelopment Entity, to the Redeveloper’s sale, lease, transfer or other disposition of the property within the New Vision Redevelopment Project area.

Upon completion of the Redevelopment Improvement Project by the Redeveloper, the Township of Gloucester shall issue a certificate of completion within 45 days of receipt of written request from the Redeveloper. In the event that the Township of Gloucester shall refuse to issue a certificate of completion within 45 days of the receipt of written request by the Redeveloper, the Township of Gloucester, as Redevelopment Entity, shall provide to the Redeveloper a written statement setting forth the aspects of the Redevelopment Improvement Project that the Redeveloper has failed to complete, the aspects of this Redevelopment Agreement that the Redeveloper is in default and the measures or acts to be taken by the Redeveloper that are necessary to the issuance of a certificate of completion.

1. Insurance. From and after the date of execution of this agreement, the Redeveloper shall provide and maintain insurance for the project site, as provided in Exhibits, until such time as the project is complete.

m. Indemnification. The Redeveloper agrees to indemnify and hold the Township of Gloucester, as Redevelopment Entity, free and harmless from and against all liability, claims, or causes of action by reason of personal liability, death or damage to property, real, personal or mixed caused by the Redeveloper’s own acts or omissions. This agreement to indemnify shall include the obligation to reimburse for reasonable legal fees and cost expended in connection with any claim, environmental claims, demands, suits or actions.

n. Notices. As to the Redeveloper:
