RESOLUTION OF FINDINGS AND CONCLUSION

BOARD OF ADJUSTMENT

TOWNSHIP OF GLOUCESTER

APPLICATION # 172034D
CBD Real Estate Investment, LLC
(Little Pond Village @ Glo Twp)
Block 20601, Lots 4, 4.02, 5 and 6

WHEREAS, CBD Real Estate Investment, LLC is the contract purchaser of the land and premises located at 1110 ChewsLanding Road in the Laurel Springs section of the Township of Gloucester, New Jersey having made application to the Zoning Board of Adjustment of the Township of Gloucester, Camden County, for a variance to permit 15 buildings with 204 rental units within the HC Zone where such units are not permitted in the Zone for the property located upon Block 20601, Lots 4, 4.02, 5 and 6, as shown on the Official Map of the Township of Gloucester, located in a HC Zone, said application being represented by Albert Marmero, Esq.; and

WHEREAS, the Board after carefully considering the representations made by the applicant at the public hearing held on December 13, 2018 as well as having reviewed the application and evidential exhibits at said hearing, has made the following factual findings and conclusions based thereon;

1. The applicant, CBD is the contract purchaser of the land and premises located at 1110 ChewsLanding Road in the Laurel Springs section of Gloucester Township, New Jersey, as shown on Block 20601, Lots 4, 4.01, 5 and 6, on the Official Tax Map of the Township of Gloucester, located in an HC Zone.
2. Proper notice was afforded all adjacent property owners as provided by the applicable statutes and ordinances, and the applicant provided proof of said notice.

3. All property taxes were paid to date.

4. After being sworn, the applicant produced David Waronker, President of CBD, Terrance Combs, a Professional Planner, David Shropshire, a Traffic Engineer and Richard Reading, an Economic expert.

   Introduced into evidence were A-1 an aerial photo of the site and A-2, a proposed site plan.

   David Waronker testified for 32 years his company has been developing this type of project in New Jersey and other states. They try to locate their projects near shopping and the Town Hall. He said they are luxury apartments with the average rent being about $1500.00 a month although the one bedroom would be about $850.00 a month. The complex would consist of 11 two story buildings and 4 three story buildings about 42, high. The complex would have on site recreation, a swimming pool and an 800 square foot clubhouse. Ten percent of the apartments would be one bedroom. Eighty percent would be two bedrooms and ten percent would be three bedrooms with no COAH or low income units.

   David Shropshire, a Traffic Engineer, testified in his opinion this use would generate less traffic than permitted uses. He stated the traffic generated was estimated based on the Institute of Transportation Engineer, (ITE) publication and the A.M peak would be 104 trips and the P.M. trips would be 130.

   Richard Reading, an Economic Analyst, testified the project would be a plus to the Township of about $400,000 although the Board did not consider this in their deliberations.
Terrance Combs, a Professional Planner, testified the site is 13.2 acres in a Highway Commercial Zone and was his opinion this project would be a good transition to the residential zone. He stated R-1 Zoning is to the South, R-2 to the West, office and residential to the East and a shopping center to the Northeast as shown by the aerial. He said site access will be on ChewsLanding Road and the project will consist of 204 apartments having 11 two story buildings and four three story buildings 42 feet high. He went on to say sales, retail, offices, motel and hotel are some of the permitted uses in the zone. He stated this use would have less impervious than many permitted uses. As to the positive criteria he stated this use would be a good transitional use between Highway Commercial and Residential and this project would increase open space. As to the negative he was of the opinion that this use is more compatible and is not inconsistent with the Master Plan because it provides harmonious Land Uses and preserves the enhancement of the neighbor.

Ken Lechner, the Board Planner, expressed concerns about the project, namely, where apartments are allowed only 10 units per acre are allowed and this project exceeds 15 per acre, he did not believe this project would be a good transitional use and the applicants Planner did not know if there were any 42 foot high buildings in the area. Mr. Lechner also expressed concerns about the location of the clubhouse being too far from the buildings, concerned about the 52 foot separation between the 3 story buildings, the 42foot height not being compatible with the area, since the area is only 1 store retail buildings and two story homes.

5. Approximately sixteen residents spoke in opposition to the project. Among their concerns were lowering property values of their homes, this project is not a good transitional use because the 42feet high buildings are out of character for the neighborhood and the apartments would be looking into the backyard of the single family homes, that 204 units were too intense
for the area, traffic concerns with a gated community, not enough parking on site, increase in police problem with Fire Trucks accessing the site, no need for more apartments since there are plenty of vacancies in the Township, and questioned how $875.00 a month would be a luxury apartment.

The owner of the property and his son asked the Board to approve the project because the existing golf driving range and miniature golf is not making money and the owner wishes to retire. Although the Board has sympathy to the owner’s request, this is not a basis to grant a Variance.

**UPON MOTION** duly made and seconded to deny the applicant a variance to construct 204 apartments, the Board voted seven (7) in favor, none (0) against and zero (0) abstentions, thus denying the relief requested; and

**WHEREAS**, the Board has determined that the relief requested by the applicant cannot be granted without substantial detriment to the public good and otherwise without impairing the intent and purpose of the Zoning Plan and Ordinances of the Township of Gloucester because of the height of the buildings, the density of the 204 units, the Board does not believe this is a good transitional use because it is out of character with the neighborhood and the Master Plan has been reviewed and the Council decided not to change the zoning and the Board was of the opinion the applicant did not provide special reasons for granting the Variance and as to the negative criteria the detriments exceed any benefits; and

**WHEREAS**, the statutory purposes will not be advanced by the granting of the relief requested;
NOW THEREFORE BE IT RESOLVED, by the Zoning Board of Adjustment of the Township of Gloucester on this 13th day of August 2018, the applicant CBD Real Estate Investment, LLC is hereby DENIED the aforesaid variance for the property located upon Block 20601, Lots 4, 4.02, 5 and 6 as shown on the Official Tax Map of the Township of Gloucester, consistent with the testimony, application and exhibits, same of which are incorporated herein.

RESOLUTION OF FINDINGS AND CONCLUSION

BOARD OF ADJUSTMENT

TOWNSHIP OF GLOUCESTER

APPLICATION # 172059C
Anthony Alberto, LLC
Block 1802, Lot 4

WHEREAS, Anthony Alberto is the owner of the land and premises located at 304 Lake Avenue in the Glendora section of the Township of Gloucester, New Jersey having made application to the Zoning Board of Adjustment of the Township of Gloucester, Camden County, for a variance to permit a single family dwelling with a front yard setback on Price Avenue of 10' instead of the required 20' for the property located upon Block 1802, Lot 4, as shown on the Official Map of the Township of Gloucester, located in a R-4 Zone, said application being prose; and

WHEREAS, the Board after carefully considering the representations made by the applicant at the public hearing held on December 13, 2018 as well as having reviewed the application and evidential exhibits at said hearing, has made the following factual findings and conclusions based thereon;

1. The applicant, Anthony Alberto is the owner of the land and premises located at 304 Lake Avenue Lane in the Glendora section of Gloucester Township, New Jersey, as shown on Block 1802, Lot 4, on the Official Tax Map of the Township of Gloucester, located in an R4 Zone.

2. Proper notice was afforded all adjacent property owners as provided by the applicable statutes and ordinances, and the applicant provided proof of said notice.

3. All property taxes were paid to date.
4. After being sworn, Addison Bradley, a Professional Planner, testified the lot is 50’ x 125’ and is a corner lot. If the applicant were required to conform to the ordinance it would not be in conformance with the neighborhood and out of character with the other lots.

5. There were no objections to the application.

UPON MOTION duly made and seconded to grant the applicant a variance to construct a house with a 10’ setback, the Board voted seven (7) in favor, none (0) against and zero (0) abstentions, thus granting the relief requested; and

WHEREAS, the Board has determined that the relief requested by the applicant may be granted without substantial detriment to the public good and otherwise without impairing the intent and purpose of the Zoning Plan and Ordinances of the Township of Gloucester because of the size and shape of the lot and the Board was of the opinion that the benefits exceed any detriment; and

WHEREAS, the statutory purposes will be advanced by the granting of the relief requested;

NOW THEREFORE BE IT RESOLVED, by the Zoning Board of Adjustment of the Township of Gloucester on this 13th day of December 2018, the applicant Anthony Alberto is hereby granted the aforesaid variance for the property located upon Block 1802, Lot 4 as shown on the Official Tax Map of the Township of Gloucester, consistent with the testimony, application and exhibits, same of which are incorporated herein.
