---

**To: Vendor/Participant**

**PLEASE TAKE NOTICE:**

**Food Vendor**

Any Vendor utilizing open flame cooking either freestanding or in an enclosed mobile canteen shall acquire a Type I permit from Gloucester Township Fire District #4, Office of the Fire Marshal.  
(Attached) Fee \$54.00

**Mobile Canteens & Trailers**

All "Mobile enclosed units" which are designed to be driven or towed from place to place, which produce grease laden vapors from cooking, shall be equipped with an exhaust hood and fire suppression system, tested and certified every six months. Each enclosed mobile unit with grease laden vapors must also have a Class K fire extinguisher mounted safely in the unit. All suppression systems must have current "annual inspection tag visible".

All ventilation hoods and cooking appliances shall be free of any grease.

Exempt from this requirement will be pizza ovens, steam tables and hot dog carts which boil water utilizing sterno.

Any vendor utilizing charcoal or wood for cooking shall have a minimum of one 2 ½ gallon pressurized water extinguisher.

Any vendor utilizing a (free standing cooking set-up) shall have a minimum of one (10lb) ABC rated for extinguisher, accompanied with current inspection tag. Any frying operations shall also have at least one Class K extinguisher inspected and on site.

**Generators**

Any vendor or participant utilizing generators shall use an approved METAL SAFETY CAN which is self-closing, non-spilling with a maximum size of 5 gallons.

All generators shall accompany an ABC fire extinguisher either new or tagged with current inspection tag. Any generator utilized shall have GFI capabilities. All generators shall be secured from public by appropriate means. Any generator shall only be refueled when the unit is off and cooled.

**Bounce Houses/Slides/Amusements**

All air-inflated membrane structures (amusements) shall be fire-rated with documentation for same. All amusements shall be secured and tethered for inclement weather.

**Tents/Canopies**

Any cooking operation shall only utilize a certified flame rated canopy or tent with documentation for same. All vendors utilizing tents or canopies shall assure their site is secured and tethered in case of inclement weather.

**Any deviation of the aforementioned requirements could result in a delay or prohibit you from participating at this event.**
