APPLICATIONS FOR REVIEW

#192025C
Salvatore Matarazzo
Zoned: R3
Bulk C Variance
Block: 13103 Lot: 16
Location: 806 Davistown Rd., Blackwood
6’ vinyl fence

Mr. Costa swears in Mr. Matarazzo.
Mr. Matarazzo states the property line is highlighted on the survey presented to the board. The blue highlighter is where the fence will be located. The company behind him puts cars & trucks on his property. He also owns 908 Evergreen Ave... The children can’t use that section of the yard. The fence will be 20’ from the curb on Davistown Rd. (20’ from curb). He would like to be as close to Evergreen Ave. as possible. 10’ off the property line on Davistown Rd... Evergreen Ave. he is looking for a 0’ setback. It will be a 6’ vinyl fence.

Mr. Lechner states Evergreen Ave. is 40’ wide with the ROW. The Pavement center line is 20’ to property line. 5’ in on tangent from Davistown Rd. (5’ from curb); 20’ from curb on Davistown Rd. (10’ from property line).

Mr. Matarazzo states he would like to have a curb on Evergreen.
Mr. Mellett states it’s more involved than you would think, it involves storm water management.
Mr. Lechner states it also involves the Capital budget and improvements. The Mayors’ office would be the place to start.
Mr. Treger asks how come Mr. Matarazzo didn’t get the middle property.
Mr. Matarazzo states he is working on that.

Public Portion:

Mr. Costa swears in Mr. Raymond Lowe 826 Davistown Rd.
Mr. Lowe has trouble with trash trucks getting down the road and exiting the road safely. He’s afraid the trucks won’t be able to see well enough.
Mr. Mellett states with the current site triangle (minimum 20’ setback) is more then enough room to see.
Vice Chairman Simiriglia asks how the trash trucks back down the road.
Mr. Lowe states they back down Evergreen from Davistown.
Mr. Lowe was under the impression the setback was 40’ for the fence according to the ordinance.
Mr. Lechner states the ordinance has changed and is no longer 40’.
Mr. Costa states originally there was going to be a 0’ setback but is now 20’.
Mr. Lechner states the ordinance is 15’ from the face of the curb not 40’. Any vehicle that comes to the corner will have a fence 20’ behind them.
Mr. Mellett states the dead end does make trucks use a special maneuver. The large tree should be considered in the analysis.
Mr. Matarazzo is fine with putting the fence 25’ in from the curb vs. 20’. The 6’ fence is approved.

Mr. Costa swears in Mr. Dan Kelly who states Mr. Matarazzo is a great neighbor and is a plus for the neighborhood.

**A motion to approve the above-mentioned application with a 0’ setback on Evergreen a 25’ setback from curb on Davistown Rd with a 6’ fence was made by Mr. Rosati and seconded by Mr. Acevedo.**
Roll Call:

Mr. Costa swears in Ms. Grundy.
Ms. Grundy states she has an end unit with a creek at the end.
   If she followed the ordinance her deck would be in
   the creek. The deck will be composite. There is
   enough space for the neighbors with the easement.

RESOLUTION OF FINDINGS AND CONCLUSION

BOARD OF ADJUSTMENT

TOWNSHIP OF GLOUCESTER

APPLICATION # 192025C
Salvatore Matarazzo
Block 13103, Lot 16

WHEREAS, Salvatore Matarazzo is the owner of the land and premises located at 806 Davistown Road in the Blackwood section of the Township of Gloucester, New Jersey having made application to the Zoning Board of Adjustment of the Township of Gloucester, Camden County, for a variance to permit a 6’ vinyl fence along Davistown Road and a 6’ vinyl fence with a 5’ setback along Evergreen Avenue instead of the required 15’ and to have the fence as a principal use for the property located upon Block 13103, Lot 16, as shown on the Official Map of the Township of Gloucester, located in a R-3 Zone, said application being Pro Se.; and

WHEREAS, the Board after carefully considering the representations made by the applicant at the public hearing held on July 24, 2019 as well as having reviewed the application and evidential exhibits at said hearing, has made the following factual findings and conclusions based thereon;

1. The applicant Salvatore Matarazzo is the owner of the land and premises located at 806 Davistown Road in the Blackwood section of Gloucester Township, New Jersey, as shown on Block 13103, Lot 16, on the Official Tax Map of the Township of Gloucester, located in an R-3 Zone.

2. Proper notice was afforded all adjacent property owners as provided by the applicable statutes and ordinances, and the applicant provided proof of said notice.

3. All property taxes were paid to date.
4. After being sworn, the applicant testified he is trying to clean up the property and prevent people from parking vehicles on it and from making u-turns and he is continuing the fence he has on his other property.

5. There were no objections to the application.

UPON MOTION duly made and seconded to grant the applicant the aforesaid variances to construct a 6’ vinyl fence with a 5’ setback along Evergreen Avenue, the Board voted seven (7) in favor, none (0) against and zero (0) abstentions, thus granting the relief requested; and

WHEREAS, the Board has determined that the relief requested by the applicant may be granted without substantial detriment to the public good and otherwise without impairing the intent and purpose of the Zoning Plan and Ordinances of the Township of Gloucester because of the size and shape of the lot and the Board was of the opinion that the benefits exceed any detriment; and

WHEREAS, the statutory purposes will be advanced by the granting of the relief requested;

NOW THEREFORE BE IT RESOLVED, by the Zoning Board of Adjustment of the Township of Gloucester on this 24th day of July, 2019, the applicant Salvatore Matarazzo is hereby granted the aforesaid variances for the property located upon Block 13103, Lot 16 as shown on the Official Tax Map of the Township of Gloucester, consistent with the testimony, application and exhibits, same of which are incorporated herein.

RESOLUTION OF FINDINGS AND CONCLUSION

BOARD OF ADJUSTMENT

TOWNSHIP OF GLOUCESTER

APPLICATION # 192026C
Bernice Grundy
Block 15703, Lot 141

WHEREAS, Bernice Grundy is the owner of the land and premises located at 16 Thornhill Court in the Sicklerville section of the Township of Gloucester, New Jersey having made application to the Zoning Board of Adjustment of the Township of Gloucester, Camden County, for a variance to permit a 12’ x 24’ deck 23’ from the rear lot line instead of the required 30’ for the property located upon Block 15703, Lot 141, as shown on the Official Map of the Township of Gloucester, located in a RA Zone, said application being Pro Se.; and

WHEREAS, the Board after carefully considering the representations made by the applicant at the public hearing held on July 24, 2019 as well as having reviewed the application and evidential exhibits at said hearing, has made the following factual findings and conclusions based thereon;

1. The applicant Bernice Grundy is the owner of the land and premises located at 16 Thornhill Court in the Sicklerville section of Gloucester Township, New Jersey, as shown on Block 15703, Lot 141, on the Official Tax Map of the Township of Gloucester, located in an RA Zone.

2. Proper notice was afforded all adjacent property owners as provided by the applicable statutes and ordinances, and the applicant provided proof of said notice.

3. All property taxes were paid to date.
4. After being sworn, the applicant testified she has an end unit on a cul-de-sac and has a creek at the end of her property and the 12’ x 24’ deck would be in the creek if she had to conform to the ordinance.

5. There were no objections to the application.

UPON MOTION duly made and seconded to grant the applicant the aforesaid variances to construct a 6’ vinyl fence, the Board voted seven (7) in favor, none (0) against and zero (0) abstentions, thus granting the relief requested; and

WHEREAS, the Board has determined that the relief requested by the applicant may be granted without substantial detriment to the public good and otherwise without impairing the intent and purpose of the Zoning Plan and Ordinances of the Township of Gloucester because of the size and shape of the lot and the Board was of the opinion that the benefits exceed any detriment; and

WHEREAS, the statutory purposes will be advanced by the granting of the relief requested;

NOW THEREFORE BE IT RESOLVED, by the Zoning Board of Adjustment of the Township of Gloucester on this 24th day of July, 2019, the applicant Bernice Grundy is hereby granted the aforesaid variance to construct a 12’ x 24’ deck with a rear yard setback of 23’ for the property located upon Block 15703, Lot 141 as shown on the Official Tax Map of the Township of Gloucester, consistent with the testimony, application and exhibits, same of which are incorporated herein.

Variance Expiration: The applicant is advised that variances will expire unless construction commences within two (2) years of the date of the granting of the variance.

II. VARIANCE COMMENTS

The application requires the following variances from the Land Development Ordinance based on scaled data from the sketch (survey) provided by the Applicant.

§422.L, Residential Tool Shed
1. Area: (336 sf provided v. 168 maximum allowed).
The Applicant shall provide the following information to determine if additional variances are required:
2. Wall height: 9 ft. minimum required.

POSITIVE CRITERIA ("C1" and "C2" variances)
3. The Applicant must address and the Zoning Board of Adjustment consider the following in satisfying the positive criteria for the requested variance:
   a. The Board has the power to grant a variance where by reason of exceptional narrowness, shallowness, shape, or topographic conditions or physical features, or an extraordinary and exceptional situation affecting a specific property, the strict application of the zoning regulations would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardship upon the development of such property (basis 40:55D-70c(1)).
   b. Also, the Board has the power to grant a variance when the purpose of the Municipal Land Use Law would be advanced by the deviation of the zoning ordinance and the benefits would substantially outweigh the detriments (basis N.J.S.A. 40:55-70c(2)).

NEGATIVE CRITERIA
The Board should not grant a variance unless it is clearly demonstrated that said variance can be granted without substantial detriment to the public good and will not substantially impair the intent and purpose of the zone plan and zoning ordinance (basis 40:55D-70).

enc = Existing nonconformance.
Var = Variance required.

Variance Expiration: The applicant is advised that variances will expire unless construction commences within two (2) years of the date of the granting of the variance.

II. VARIANCE COMMENTS

The application as submitted requires the following variance:

§405.F - R-3 ~ Residential District, Area, Yard, Height and Building Coverage

1. Side yard: (8 ft. provided v. 10 ft. minimum required).
POSITIVE CRITERIA ("C1" and "C2" variances)

The Applicant must address and the Zoning Board of Adjustment consider the following in satisfying the positive criteria for the requested variances:

2. The Board has the power to grant a variance where by reason of exceptional narrowness, shallowness, shape, or topographic conditions or physical features, or an extraordinary and exceptional situation affecting a specific property, the strict application of the zoning regulations would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardship upon the development of such property (basis 40:55D-70c(1)).

Also, the Board has the power to grant a variance when the purpose of the Municipal Land Use Law would be advanced by the deviation of the zoning ordinance and the benefits would substantially outweigh the detriments (basis N.J.S.A. 40:55-70c(2)).

NEGATIVE CRITERIA

The Board should not grant a variance unless it is clearly demonstrated that said variance can be granted without substantial detriment to the public good and will not substantially impair the intent and purpose of the zone plan and zoning ordinance (basis N.J.S.A. 40:55D-70).

III. NOTICE REQUIREMENTS

The applicant must notice for the following variance:

From Section 406.F, Area, Yard, Height and Building Coverage, to permit a deck eight (8) feet from the side property line (10 feet minimum required).

I have no further comments regarding this application at this time but reserve the right to provide additional comments during the public hearing to advance the planning process.

RE: APPLICATION #192031D Escrow #13350
VILLE III, LLC
BLOCK 18601, LOTS 7, 8, and 9

DATE: August 6, 2019

The Applicant requests use variance approval for a "230 townhome major subdivision" within the R-1, Residential District. The project is located on the southwest side of Sicklerville Road northwest of Huckleberry Avenue.

The plans and support documents have been reviewed for conformance to the Land Development Ordinance of Gloucester Township and the following comments are offered for your consideration.

Applicant/Owner: VILLE III, LLC 765 John Barry Drive, Bryn Mawr, PA 19010.

I. INFORMATION SUBMITTED

1. Land Development Application Form with attachments and checklist dated 7/22/19.
4. Concept Plan, as prepared by Bach Associates, PC consisting of the following:

II. PROJECT DESCRIPTION/LOCATION

The property-in-question comprises 34.72 acres and is located on the southwest side of Sicklerville Road northwest of Huckleberry Avenue within the R-1 - Residential District. The application as submitted proposes the following:

1. 230 Townhouse Residential Buildings
   a. 2 buildings containing 4 units = 8 units
   b. 12 buildings containing 5 units = 104 units
   c. 27 buildings containing 6 units = 162 units
   d. 1 open space lot including a stormwater basin.
   e. 1 open space lot including a planted streetscape buffer.
   f. 1 open space lot including a "Village Green."

III. ZONING DISTRICT COMMENTS

1. R-1 - Residential District [§403].
2. USES: Townhouse is not listed as a permitted use in the R-1 - Residential District [§403.B].
3. DENSITY: Shall not exceed one (1) dwelling unit per acre [§403.E].
IV. APPLICATION SUBMISSION CHECKLIST

The Application has been reviewed for compliance with §817, Submission Checklist for variances.

V. VARIANCE COMMENTS

The following is a summary of the required variances for the proposed project:

§403, R-1 – Residential - "D" Type variance
1. Use: Townhouses are not listed as a permitted use in the R-1 – Residential District [§403].
2. Density: (6.624 du/ac. provided v. 1 du/ac. maximum allowed).

POSITIVE CRITERIA ("D1" variance)

4. The Board has the power to grant a variance for a use or structure in a district restricted against such use or structure (basis N.J.S.A. 40:55-70d(1)).

POSITIVE CRITERIA ("D5" variance)

5. The Board has the power to grant a variance for an increase in the permitted density (basis N.J.S.A. 40:55-70d(5)).

6. **The Applicant should address and the Zoning Board of Adjustment consider the following in satisfying the positive criteria for the requested "D1" and "D5" variances:**
   a. Uses determined as not "inherently beneficial."
      i. A use variance must meet the statutory “special reasons” standards. The zoning purpose most amplifying the meaning of special reasons is promotion of the general welfare (basis Medici v. BPR Co., 107 N.J. 1 (1987) and it is the most relied upon purpose to prove special reasons (Burbridge v. Mine Hill Tp. 117 N.J. 376, 386-387 (1990)).

   1. The Applicant should identify and provide an analysis of the special reasons of zoning that are applicable to the application.

   2. The Applicant should also show the site is particularly suited for the proposed use (Kohl v. mayor and Council of Fair Lawn, 50 N.J. 268, 279-280 (1957)).

   3. The Applicant should also provide specific testimony addressing the enhanced quality of proof that the variance sought is not inconsistent with the intent and purpose of the Master Plan and Zoning ordinance (Medici v. BPR Co.).

   4. Furthermore, “such proofs and findings must satisfactorily reconcile the grant of the use variance with the ordinance’s continued omission of the proposed use from those permitted in the zone” (Medici v. BPR Co.).
NEGATIVE CRITERIA

The Board should not grant a variance unless it is clearly demonstrated that said variance can be granted without substantial detriment to the public good and will not substantially impair the intent and purpose of the zone plan and zoning ordinance (basis 40:55D-70).

5. The Applicant should provide professional testimony to address granting the variance would not be a de-facto rezoning.
   a. If the Board finds this is not the case, consideration could be given to rezoning the subject property in accordance with §812, Request for Zone Change within the Land Development Ordinance.

Balancing Test (basis Sica v. Board of Adjustment Tp. of Wall, 127 NJ 152, 162 – 166 (1992)).

1. Identify the public interest at stake.
2. Identify the detrimental effects that would result by the grant of a variance.
3. Determine if the detrimental effects may be mitigated by imposing reasonable conditions.
4. Weigh the benefits against the mitigated negative effects to determine if on balance the grant of a variance would cause substantial detriment to the public good.

VI. ZONING DISTRICT HISTORY AND MASTER PLAN CLASSIFICATION

1. The following table provides a history of the zoning districts that are applicable to the property-in-question.

</table>

n/a = Not applicable.
du/ac. = Dwelling Units/Acre.
2. The following is a description of the Residential 1 (R-1) Land Use Classification with the Master Plan, adopted June 29, 1999.

"The Residential 1 land use category is a single family residential detached district with a density of one unit per acre. Much of the land that this has been applied to has been subdivided from larger (previously) agricultural parcels along the County road frontage. Higher densities for this land would encourage subdivision into smaller lots arranged around a single cul-de-sac. This type of land use pattern raises municipal costs and reduces the ability to create an efficient street system. Where the R-1 designation is not applied to frontage lots, it is intended to provide a balance with higher density single family districts. The R-1 would provide opportunities for more expensive housing for trade-up buyers who already live in the Township. The Residential 1 category also encompasses parks and recreation uses, conservation land, and minor institutional uses not mapped separately. In general, the land area for this use is proposed to increase in comparison to the R-2 or R-3 classifications."

VII. GENERAL REVIEW COMMENTS

The Applicant should address the positive criteria including the special reasons standards of zoning, site suitability, enhanced quality of proof, and the negative criteria applicable to the required variance for the following master plan and zoning issues:

1. Master Plan:
   a. Consistency with the criteria of the Residential 1 (R-1) Residential Land Use Classification of the Master Plan.

2. Zoning [§403]:
   a. Consistency with the specific intent of the R-1 - Residential District, as follows:
      i. "The R-1 residential district is intended for single family detached uses on one acre lots. Clustering of dwellings to promote the retention of open space is encouraged."

3. Density [§403.E]:
   a. The instant application proposes a density of 6,624 dwelling units per acre.
      i. The applicant should provide testimony addressing the proposed density and its impact on the zoning ordinance and zone plan.
4. Area, Yard, Height and Building Coverage of the RA – Residential Attached District, which allows townhouses [§407.F]:

   a. The following table represents the consistency of the proposed development with the bulk ordinance requirements for townhouses where it is a permitted use in the RA, Residential Attached District of the Township Land Development Ordinance.

   **i. The Applicant should provide testimony addressing the inability of a 34.72 acre parcel to accommodate a project that is consistent with the following minimum bulk ordinance requirements for the RA-Residential Attached District where townhouses are a permitted use.**

   1. Lot size: As proposed a substantial number of the lots are inconsistent with the minimum RA – Residential Attached District lot size of 2,500 sf for a fee-simple townhouse. The development proposes 2,000 sf lot sizes.

   2. Lot depth: As proposed all the lots are inconsistent with the minimum RA – Residential Attached District lot depth of 125 ft. for a fee-simple townhouse. The development proposes lot depths of 100 ft.

   3. Building coverage: As proposed a substantial number of the lots are District inconsistent with the maximum RA – Residential Attached lot coverage of 40% for a fee-simple townhouse. The development proposes building coverage of 42%.

   4. Front yard: As proposed the development is inconsistent with the minimum RA – Residential Attached District front yard setback of 30 ft. for a fee-simple townhouse. The development proposes front yards of 25 ft.
5. Rear yard: As proposed the development is inconsistent with the minimum RA – Residential Attached District rear yard setback of 30 ft. for a fee-simple townhouse. The development proposes rear yards of 25 ft.

6. Density: As proposed the development is inconsistent with the minimum RA – Residential Attached District density of 3 du/ac. for a fee-simple townhouse. The development proposes a density of 6.624 du/ac.

5. General Tract Requirements of the RA – Residential Attached District, which allows townhouses [§407.E]:
   a. The following table represents consistency of the proposed development with the General Tract Requirements for permitted uses in the RA, Residential Attached District.
      i. The Applicant should provide testimony addressing the inability to provide a project that is consistent with the following General Tract Requirements for the RA- Residential Attached District.

6. Concept Plan:
   a. Off-Street parking:
      i. Consideration should be given to providing additional off-street parking to reduce on street parking.
   b. Recreation:
      i. Consideration should be given to providing active and passive recreation facilities.
7. Planning Report:
   a. The applicant should provide testimony addressing the following community impacts that are omitted from the Planning Report:
      i. School/Student costs of the proposed school age population.
      ii. Impact of the proposed density and housing style to the character of the immediate neighborhood and built environment.
      iii. Opportunities and constraints to complete and sustain the project.
      iv. Service and facility impacts such as police, fire, emergency, road maintenance and associated infrastructure costs, solid waste, and recycling.
      v. Inventory of existing and competitive developments in the market area and ability to capture market share.

8. Traffic Assessment:
   a. The Applicant should address proposed traffic impacts.
   b. The Applicant should address the proposed improvements anticipated for the traffic signal at the intersection of Sicklerville Road and Mullen Drive.
   c. The Applicant should address proposed improvements to Sicklerville Road including but not necessarily limited to the following:
      i. Road widening.
      ii. Acceleration and deceleration lanes especially for the proposed westerly roadway intersection.
      iii. Left-hand turn lane on Sicklerville Road for the easterly and westerly approaches.

9. Environmental Impact Report:
   a. The applicant should address environmental impacts and the NJDEP Natural Heritage Program regarding rare species information.

VIII. RECOMMENDATIONS

Should the Board approve the application, a subsequent preliminary and final major subdivision approval is required in accordance with the Township Land Development Ordinance.

I. Introduction

The applicant is seeking Use and Bulk Variances to develop the 34.72 acre site, known as Block 18601 Lots 7, 8 and 9, with 230 market-rate townhouse units. The site is within the R-1 Residential zoning district and is located on the south side of Sicklerville Road, approximately 3,000 feet west of the intersection with Berlin Cross Keys Road. Surrounding land uses include single family residential developments, Anne A Mullen Middle School (north across Sicklerville Road), and the limited access Atlantic City Expressway (to the south).

The R1 zoning district permits agriculture, single family detached dwellings, public parks and recreation, conservation, and municipal uses, as well as several conditional uses.

The attributes of subject development are substantially consistent with the Villages at Crosskeys, including a 25 foot permanent landscape buffer on all sides of the tract (increased along Sicklerville road to 30 feet), granite curbs, architectural cross walks, decorative street lights, and a large village green will also be included similar to the Villages. A minimum of 24% open space is proposed. In addition, the architectural styling of the proposed development will be similar to that of the Villages.

Although the Villages was constructed with the minimum RSIS (Residential Site Improvement Standards) requirement of a 50 foot Right of Way with a 30 feet cart way (paved curb to curb width) which provided a center travel way width of 16 ft and two (2) side parking lanes of 7 ft each; based on community feedback, the subject development is proposed with an expanded 60 feet Right of Way with a 40 feet cart way (paved curb to curb width). This will create enhanced overall vehicle circulation for emergency vehicles and busses as well as providing a more robust center travel way width of 24 ft and two (2) side parking lanes of 8 ft each.

The existing traffic light on Sicklerville Road at the intersection of Mullen Drive will also be upgraded to accommodate the proposed development.

A Use Variance for increased density and to permit townhouses at 6.7 units per acre is also requested as part of this application as well as several bulk variances. It is noted that the proposed density of 6.7 unit per acre as well as the requested bulk standards are the same as what was approved for the Villages at Cross Keys development.

II. Use Variances

A. From Section 403.B. to permit townhouses where they are not permitted in the district.

B. From Section 403.E. to permit density of 6.7 townhouse units per acre where 1 unit per acre is permitted for single family detached units.
II. Bulk Variances

The applicant requests eight (8) variances as outlined below in order to enable development of the proposed townhomes. Although these variances are required from the R-1 zoning district, it is substantially similar to the bulk standards utilized in the Villages Townhouse development.

A. From Section 403.F to allow minimum lot size of 2,000 sf where 1 acre minimum lot size is required.

B. From Section 403.F to allow minimum lot frontage of 20 feet where 125 feet is required.

C. From Section 403.F to allow minimum lot depth of 100 feet where 200 feet minimum lot depth is required.

D. From Section 403.F to allow maximum building coverage of 42% where 15% is required.

E. From Section 403.F to allow maximum lot coverage of 55% where 30% is required.

F. From Section 403.F to allow minimum front yard setback of 25 feet where 50 feet is required.

G. From Section 403.F to allow minimum side yard setback of 20 feet where 25 feet is required at the end unit.

H. From Section 403.F to allow minimum rear yard setback of 28 feet where 75 feet is required.

III. Community Impact

A. Population

The potential population of the proposed development can be estimated by using residential demographic multipliers for New Jersey. The population is estimated by applying the average number of persons per household for the particular housing type (townhouses) to the proposed number of units (176).\(^1\) The table below provides an estimate of the population increase that may be anticipated when the proposed development is completed.

<table>
<thead>
<tr>
<th>Proposed Structure</th>
<th>Number of Units</th>
<th>Persons per Household</th>
<th>Population Total</th>
</tr>
</thead>
<tbody>
<tr>
<td>3 bedroom Townhouse(^2) above median</td>
<td>230</td>
<td>2.755</td>
<td>634</td>
</tr>
</tbody>
</table>

---

\(^2\) Within each structure type (in this case single-family attached three bedroom) the demographic multipliers are provided for units "below median" and "above median" value. The median value for three bedroom townhomes statewide in 2016 was $283,000. Using the Federal Housing Finance agency’s
B. School Children

The number of school aged children that may be anticipated to live within the proposed development once it is fully occupied can be estimated by using the average number of school aged children per household for the particular housing type (townhouses).

<table>
<thead>
<tr>
<th>Proposed Structure</th>
<th>Number of Units</th>
<th>Public School Children per Household</th>
<th>Total Public School Children grades K-12</th>
</tr>
</thead>
<tbody>
<tr>
<td>3 Bedroom Townhouse above median</td>
<td>230</td>
<td>.318</td>
<td>73</td>
</tr>
</tbody>
</table>

The proposed floor plans for the townhomes include three bedrooms, with one of the models including an option for a fourth bedroom instead of the recreation room. The Villages of Cross Keys also had the fourth bedroom option but less than five units of the 168 Villages development (less than 3%) were constructed with the fourth bedroom option.

The multipliers for public school children in the “Who Lives in New Jersey Housing?” report are broken down into three age groups: K-5th, 6th-8th, and 9th to 12th grades, as set forth in the table below.

<table>
<thead>
<tr>
<th>Grade Levels</th>
<th>Number of Units</th>
<th>Public School Students per Household</th>
<th>Total public school students</th>
</tr>
</thead>
<tbody>
<tr>
<td>K-5</td>
<td>230</td>
<td>.173</td>
<td>40</td>
</tr>
<tr>
<td>6-8</td>
<td>230</td>
<td>.083</td>
<td>19</td>
</tr>
<tr>
<td>9-12</td>
<td>230</td>
<td>.062</td>
<td>14</td>
</tr>
<tr>
<td>TOTAL</td>
<td></td>
<td></td>
<td>73</td>
</tr>
</tbody>
</table>

Using the calculation, it may be estimated that the development will add 40 children to the local elementary school, 19 children to the middle school, and 14 children to the high school.

C. Financial Impact

The developer anticipates that the individual townhomes will tax assessed at approximately $200,000. The build out of the 230 townhomes would yield a total assessed value of approximately $46,000,000.

The 2017 general tax rate for Gloucester Township was $3.814 per $100 of assessed valuation. The tax revenues that will accrue to the taxing jurisdictions are calculated based on the proportion of the overall tax rate that is allocated to the jurisdiction.
Municipal
The municipal property tax revenues may be determined from the portion of the overall tax rate that is allocated to local municipal purposes (1.011 per $100 of assessed valuation in 2017). It is estimated that the added residential valuation from the proposed Watson Farm will yield additional municipal tax revenues of $465,060.

County
The Camden County property tax revenues may be determined from the portion of the overall tax rate that is allocated to county (.869 per $100 of assessed valuation). It is estimated that the added residential valuation from the proposed Watson Farm will yield additional County tax revenues of $399,740 (this includes County Open Space and County Library allocations).

Public Schools
Based on the 2017 total school levy, including both the local and the regional district, the school tax rate for 2017 was 1.766 per $100 of equalized assessed value. At the 2017 rate, the proposed development would yield revenues of $812,360 for the local and regional school districts.

□ Plans as shown along with available information do not reveal any anticipated traffic problems.

□ Stop signs/traffic control signs as shown must be installed upon or prior to any occupancy.

□ Traffic Control signs as shown on plans are not enforceable by police unless properly included by Municipal Ordinance made through application of the site owner under New Jersey 39:5-1.

□ Emergency contact numbers for site issues with twenty-four human contact should be provided to Police prior to start of construction.

Other

Request is for Bulk and Use Variance with very limited information regarding proposed traffic control or vehicle volume which would come after variance approvals. I concur with the increased right of way, specifically the cart way to be 40ft curb to curb, to allow greater flow of traffic and ingress/egress of emergency vehicles (I. Introduction - page 2 of 5 in Planning Report). I also concur with upgrading the traffic signal on Sicklerville Road to accommodate the proposed development (also I. Introduction - page 2 of 5 in Planning Report).

MAJOR ISSUES

1. Market FLOODED with 3-story TOWNHOUSE UNITS
   Values not that high. Rentables do not justify land use.

2. Resales in trouble

3. Plan has TOO MANY UNITS for this area. Traffic (overload)

4. Loss of Farmland - Rollbacks due to water drainage issue.

V. VARIANCE COMMENTS

The Application as submitted requires the following variances from the HC — Highway Commercial District:

§416.D(8), Permitted Uses ("D3" – conditional use variance)
1. To allow a fast food restaurant with drive-thru closer than the minimum one thousand (1,000) foot requirement from another similar use or residential use district.
   a. The proposed restaurant is adjacent the Taco Bell and R-2, Residential District.

§416.F, Area, Yard, Height and Building Coverage
2. Lot coverage: (82.31% provided v. 75% maximum allowed).
§426, Signs (Facade)
3. Number: (4 provided v. 2 maximum allowed).

§426.AA(12), Menu Sign
4. Number: (2 provided v. 1 maximum allowed.

§426, Signs (Pre-Browse Menu)
5. Number: (2 provided v. Not Permitted).

§426.G(5), Incidental Signs
6. Area: (4.54 sf provided v. 2 sf maximum allowed).

**POSITIVE CRITERIA ("C1" and "C2" variances)**

The Applicant must address and the Zoning Board of Adjustment consider the following in satisfying the positive criteria for the requested bulk variances:

7. The Board has the power to grant a variance where by reason of exceptional narrowness, shallowness, shape, or topographic conditions or physical features, or an extraordinary and exceptional situation affecting a specific property, the strict application of the zoning regulations would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardship upon the development of such property (basis 40:55D-70c(1)).

   Also, the Board has the power to grant a variance when the purpose of the Municipal Land Use Law would be advanced by the deviation of the zoning ordinance and the benefits would substantially outweigh the detriments (basis N.J.S.A. 40:55-70c(2)).

**POSITIVE CRITERIA ("D3")**

The Applicant must address and the Board consider the following in satisfying the positive criteria for the requested "D3" variance:

8. The Board has the power to grant a variance for a deviation from a specification or standard pertaining solely to a conditional use (basis N.J.S.A. 40:55-70d(3)).
   a. The Applicant must prove the site will accommodate the proposed use even though the application does not comply with the conditions of the ordinance (basis Coventry Square v. Westwood Zoning Bd. Of Adjustment, 138 N. J. 284 (1994)).

**NEGATIVE CRITERIA**

The Board should not grant a variance unless it is clearly demonstrated that said variance can be granted without substantial detriment to the public good and will not substantially impair the intent and purpose of the zone plan and zoning ordinance (basis N.J.S.A. 40:55D-70).

**VI. SITE PLAN REVIEW COMMENTS**

1. The plans should be revised to provide landscaping for the base of the existing freestanding sign following demolition of this area for the proposed concrete sidewalk as per §426.R(11). Freestanding Sign Requirements.

2. The plans should be revised to provide a planting legend including a key, botanical name, common, and quantity for the proposed landscaping in the "Prop. Landscape Areas" within the drive-thru area to enhance the aesthetics of the development and the Township as per §507.A(1).
3. The plans must be revised to indicate underground irrigation for landscaping as per §507.A(4)(b).

4. The plans should be revised to indicate seal coating the pavement and line striping of the parking spaces, traffic circulation, fire lanes, etc. as per §510.1, Delineation.

5. The plans should be revised to expand the size of the existing masonry trash enclosure to accommodate all dumpsters as per §510.1, Refuse/Recyclable Storage Areas.
   a. Alternatively, remove an existing trash dumpster that is presently located in the lawn area along the northern property line.

6. The plans should be revised to provide ADA detectable warning surfaces at all ramp locations along Blackwood-Clementon Road and Little Gloucester Road as per §516, Sidewalks, Curbs, Gutters & Pedestrian Ways.

VII. GENERAL COMMENTS

1. It's recommended the plans be revised to indicate the concrete drive-apron at the entrance from Blackwood-Clementon Road be repaired and/or replaced.

VIII. LAND DEVELOPMENT ORDINANCE COMMENTS

The Applicant is advised of the following additional requirements of the Land Development Ordinance:

1. A soil removal plan if soil is to be removed from the site for use or sale other than the premises subject to this application as per §801.C, Soil Removal.

2. A grading plan prepared and sealed by licensed professional engineer as per §814, Grading Approval.

3. Before recording final subdivision plats or as condition of final site plan approval or as a condition to the issuance of a zoning permit pursuant to N.J.S.A. 40:55D-65d the furnishing of a performance guarantee, maintenance guarantee, and inspection fees as per §903, Guarantees and Inspections and §904, Certification or Guarantee Required; Estimate of Guarantee.

4. Requirements precedent to construction as per §905, Pre-conditions to Commencement of Construction.

5. Construction of off-tract improvements as per §906, Off-Tract Improvements Recapture.

6. A zoning permit is required prior to the issuance of any construction permits and prior to the issuance of a Certificate of Occupancy by the Construction Official the Applicant must acquire a Certificate of Zoning Conformity from the Zoning Officer as per §1102, Permits, General, §1103, Zoning Permit and §1104, Certificate of Zoning Conformity.

IX. RECOMMENDATIONS

1. The Applicant must address the above underlined comments.

2. The Applicant is advised revised plans and support documents would not be accepted by this Department without sufficient escrows for professional services in accordance with the signed escrow agreement.
We have no further comments regarding this application at this time; however, reserve the right to provide additional comments during the public hearing to advance the planning process.

RE: Application for Minor Site Plan Approval, Conditional Use Variance Relief and “C” Variance Relief
Applicant: McDonald’s Corporation
Block 20101, Lot 9
1505 Blackwood – Clementon Road
Township of Gloucester, New Jersey
Our File No.: 3316-73

Dear Ms. Barrett:

Please be advised that our firm represents McDonald’s Corporation (the “Applicant”) with respect to this application for minor site plan approval, conditional use variance relief pursuant to N.J.S.A. 40:55D-70d(3), and “c” variance relief, in order to allow the Applicant to:

1. Renovate and reface the existing exterior building façade of this McDonald’s restaurant, along with updated identification signage;

2. Renovate and improve the existing accessible parking area and pathway to building;

3. Replace the existing drive-thru signage and menu boards with new drive-thru signage and menu boards; and

4. Perform certain Americans with Disabilities Act (“ADA”) compliant improvements to the existing parking area and curbing.
Along with site plan approval, the applicant is requesting "c" variance relief relating to maximum lot coverage, signage lighting, maximum directional sign area, the sign area and content of animated signs (menu boards and pre-browse menu boards), and number of façade and freestanding signs. A comprehensive breakdown of the requested variance relief is included in the Waiver and Variance Report prepared by Bohler Engineering and included as part of this application.

The Applicant seeks conditional use variance relief pursuant to N.J.S.A. 40:55D-70d(3). Fast food restaurants are a conditional use within the HC Zone. The zoning ordinance requires that they are no closer than 1,000 feet to any other similar establishment, residential use district, or house of worship. As the property is within 1,000 ft. of a residential district and is performing a realignment of the existing drive-thru lane, variance relief pursuant to N.J.S.A. 40:55D-70d(3) is required. Additional testimony in support of the requested variance relief will be provided at the hearing.

In the event this application is not approved, the Applicant specifically reserves the right to challenge the legality of the 1,000-foot distance restriction contained in the Gloucester Township Zoning Ordinance.

In support of this application, enclosed herein for filing please find the following:

1. An original and eleven (11) copies of the Township of Gloucester Zoning Board Application;

2. An original and eleven (11) copies of the Township of Gloucester Escrow Agreement;

3. Seven (7) copies of the Township of Gloucester Land Development Application Checklist and Submission Checklist.

4. Twelve (12) signed and sealed copies of minor site plan prepared by Bohler Engineering, Inc. dated July 9, 2019;

5. Twelve (12) copies of the Architectural Floor Plans and Elevations prepared by Robert Goldman, Architect dated March 7, 2019;

6. Twelve (12) copies of the Boundary & Partial Topographic Survey prepared by Control Point Associates, Inc. dated April 10, 2018 and last revised June 28, 2019;

7. Twelve (12) copies of the Waiver and Variance Justification Report prepared by Bohler Engineering dated July 9, 2019;

8. Twelve (12) copies of the Property Deed, dated November 29, 1976;

9. One copy of the Certified Property Owners’ List;
10. One copy of Applicant’s Proof of Paid Taxes; and

Furthermore, pursuant to N.J.S.A. 40:55D-48.1, please allow this letter to confirm that there are no individual shareholders that own 10% or more of McDonald’s Corporation, which is a publicly traded entity with thousands of individual shareholders.

Lastly, enclosed please find two checks in the amounts of $460.00 and $1,750.00 representing the required application fee and escrow deposit respectively, for this application.

Please do not hesitate to contact me if you require any additional information in order for this application to be deemed complete. Once this application has been deemed complete, please notify me as to the meeting date on which this application will be heard by the Planning Board and we will, of course, provide the required public notice in advance of same.

Thank you as always for your kind attention and usual courtesies.

Very truly yours,

NEHMAD PERILLO DAVIS & GOLDSTEIN, P.C.

Dear Board Members:

On behalf of McDonald's USA, LLC., Bohler Engineering PA, LLC hereby requests the following Waivers and Variances along with any others the Board deems necessary in regard to the above referenced project:

**Waivers**

The following Waivers from the Land Development Checklist are requested:

- A Waiver from Land Development Checklist Item 8 – to provide a copy of the recycling report.
- A Waiver from Land Development Checklist Item 9 – to require calculation and delineation of wetlands.
- A Waiver from Land Development Checklist Item 56 – to require existing elevations and contour lines over the entire area of the proposed development and two (2) permanent bench marks based upon U.S.G.S. datum.
- A Waiver from Land Development Checklist Item 57 – to require contours shown at not less than 2 foot intervals for areas with less than twenty (20%) percent slope, five foot intervals for areas in excess of twenty (20%) percent slope.
- A Waiver from Land Development Checklist Item 61 – to require flood plain limits as determined by the Master Plan and onsite evaluations by a licensed professional engineer.
- A Waiver from Land Development Checklist Item 74 – to require showing the names, locations, and dimensions of all existing streets and existing driveways, and any connections by the development to existing streets, sidewalks, bike routes, water, sewer, or gas within 200 feet of the site.
- A Waiver from Land Development Checklist Item 98 – to require plans and profiles of water and sewer layouts, on-site or off-site, showing (a) size and type of pipes and mains, (b) slope, (c) pumping stations, (d) fire hydrants, (e) standard details, and (f) trench repair details for street crossings.
- A Waiver from Land Development Checklist Item 104 – to require showing computations and any connection by the development for any storm drainage system to the existing storm drainage system.
- A Waiver from Land Development Checklist Item 106 – to require a letter by an existing water or sewer company indicating that service shall be available before occupancy of any proposed structures, if service is to be provided by an existing water or sewer utility company.
Variance

The following Variances from the Land Development Ordinance are requested:

- § 416.F to allow 82.31% of lot coverage in lieu of the maximum 75%. Existing on site is 82.32% impervious coverage so this would be an improvement over the existing condition.

- § 426.F.9 to permit background of internally illuminated signs to be lit.

- § 426.G.5 to allow directional signs greater than 4 SF
  - Two (2) "Reserved Drive-Thru" signs at 4.6 square feet each

- § 426.L.1 to permit animated signs (menu boards and pre-browse menu boards).

- § 426.N.1 to permit the area of a changeable copy sign to exceed 50% of the total sign area.

- § 426.N.3 to permit changeable copy signs (menu boards and pre-browse menu boards) to change more frequently than once every 24 hours.

- § 426.Q.2 to allow four (4) façade signs in lieu of the maximum two (2) façade signs on a corner lot.
  - Front Façade (Blackwood-Clementon Road) – To permit two (2) façade signs totaling 46.8 SF in lieu of one (1) sign at 52.07 SF; Currently existing on site is one (1) window sign at 25 SF.
  - East Façade (Non-Drive Thru) – To permit one (1) façade sign totaling 14 SF.
  - West Façade (Drive-Thru) – To permit one (1) façade sign totaling 14 SF.

This Indenture, MADE THE

Twenty-ninth day of November in the year

of our Lord one thousand nine hundred and Seventy-Six.

Between IKOS REALTY COMPANY, a Partnership, whose mailing address is P.O. Box 3440, Cherry Hill, New Jersey, party

of the first part, and MC DONALD'S CORPORATION, a Delaware corporation, whose mailing address is 2 Cherry Hill Executive Campus, Suite 123, Cherry Hill, New Jersey, party

of the second part:

Witnessest, That the said party of the first part, for and in consideration of

the sum of ONE HUNDRED SIXTY-FIVE THOUSAND DOLLARS ($165,000.00)

lawful money of the United States of America

well and truly paid by the said party of the second part to the said party of the first part, at and before the en-sealing and delivery of these presents, the receipt whereof is hereby acknowledged, has granted, bargained, sold, aliened, enfeoffed, released, conveyed and confirmed, and by these presents does grant, bargain, sell, alien, enfeoff, release, convey and confirm, unto the said party of the second part, its successors, heirs and assigns; ALL THAT CERTAIN tract or parcel of land situate in the Township of Gloucester, County of Camden and State of New Jersey, more particularly described as follows:

BEGINNING at a point in the northwesterly line of Blackwood-Clementon Road (49.50 feet wide) distant 200 feet measured northwardly along same from a point marking the intersection of the said line of Blackwood-Clementon Road with the southwesterly line of Chews Landing-Little Gloucester Road (49.50 feet wide), extending; thence (1) North 88° 52' 00" West along the present northwesterly line of Blackwood-Clementon Road 150 feet to a point; thence (2) North 17° 00' 00" West parallel with Chews Landing-Little Gloucester Road and along the line of other lands of Ikos Realty Company 250 feet to a point for a corner; thence (3) South 88° 52' 00" East parallel with Blackwood-Clementon Road continuing along lands of same 350 feet to a point for a corner in the southwesterly line of Chews Landing-Little Gloucester Road (49.50 feet wide); thence (4) South 17° 00' 00" East along same 50.00 feet to a point for a corner; thence (5) North 88° 52' 00" West along the line of lands now or formerly of Gulf Oil Company 200 feet to a point for a corner; thence (6) South 17° 00' 00" East continuing along lands of same 200 feet to a point in the northwesterly line of Blackwood-Clementon Road (49.50 feet wide) and the place of beginning.

CONTAINING within said bounds 1.04 acres being the same more or less.
Reservation of Easement: Reserving unto the Grantor for a period of five years from the date hereof the right and privilege to create a non-exclusive easement for the use and benefit of the Grantor, the Grantor's successors, assignees, mortgagees, tenants, licensees and customers for the purpose of automobile pedestrian ingress and egress to and from all or any part of the Grantor's adjoining property (a legal description of which is annexed hereto as Schedule A) over, upon and across the northerly 25 feet of the premises conveyed by this deed, the said 25 feet easement area is described in Schedule B annexed hereto. The easement reserved herein may be created in one instrument or in one instrument or in a series of instruments recorded in said five year period and may inure to the benefit of all or parts of Grantor's adjoining lands. If such easement shall provide that the lands benefited thereby shall be obligated to indemnify, defend and hold Grantee harmless from all damages, or claims for damages, arising out of the use of said easement by the owner of said land or any one claiming under said owner. In the event no such easement shall be recorded within five years from the date hereof, this right shall lapse and terminate and be of no further force and effect.

Any such easement shall provide that the lands benefited thereby shall be obligated to pay the prorata share of the cost of maintaining said easement area, said prorata share would be based upon the respective ratio of ground area enjoying the benefit from the use of said easement.

During the aforesaid five year period and during the continuance of any non-exclusive easement recorded during said five year period, Grantee shall not erect nor suffer the erection of any temporary or permanent barriers on or along said easement area or allow the parking of motor vehicles within said easement area.

Subdivision Approval: This conveyance has been approved as a subdivision by resolution of the Gloucester Township Planning Board dated July 9, 1976 and the Camden County Planning Board dated June 1, 1976, which subdivision approval was filed with the Clerk of Camden County on the 7th day of October, 1976.

Restrictive Covenant: Ikos agrees for itself, and its successors in title to the adjoining lands which it owns in the northwest quadrant of Blackwood-Clementon Road and Chews Landing-Little Gloucester Road (presently identified on the Gloucester Township Tax Map as Plate 24, Block 259, Lots 5A and 3AA) that said lands will not be used for restaurant purposes for a period of 20 years from the date hereof. The term "restaurant" as used herein shall be strictly limited to that type of fast food-hamburger restaurant presently operated by McDonald's and others "Gino's, Burger King, Burger Chef, etc.". The term shall not apply to any type of restaurant and specifically, without limiting the foregoing, shall not apply to restaurants of the following types: Dunkin' Donuts, Denney's, A Pizza Parlor, Chinese Restaurant, Fish and Chips, a steak house and the like.
Together with all and singular, the buildings, improvements, woods, ways, rights, liberties, privileges, hereditaments and appurtenances, to the same belonging or in any wise appurtenant and the reversion and reversion, remainder and remainders, rents, issues, and the profits thereof, and of every part and parcel thereof:

And also, all the estate, right, title, interest, property, possession, claim, and demand whatsoever, both in law and equity, of the said party of the first part, of, in and to the said premises, with the appurtenances:

To have and to hold the said premises, with all and singular the appurtenances, unto the said party of the second part, its successors and assigns, to the only proper use, benefit and behoof of the said party of the second part, its successors and assigns forever.

AND the said party of the first part, its successors, heirs and assigns forever.

Being, executors and administrators do, by these presents covenant, grant and agree to and with the said party of the second part, its successors and assigns, that it, the said party of the first part, its successors, heirs, all and singular the hereditaments and premises herein above described and granted, or mentioned and intended to be so, with the appurtenances unto the said party of the second part, its successors, heirs and assigns, against it, the said party of the first part, its successors, heirs, and against all and every other person or persons whomsoever lawfully claiming or to claim the same or any part thereof, by, through, from, under them or any of them

shall and will subject aforesaid WARRANT and forever DEFEND.

In Witness Whereof, the said party has hereunto set his hand and caused the same to be signed, sealed and delivered.
